# THE BEGINNING . . .

The foundations have been set for each student to grow as an individual. In the beginning of our life at Northland, we are like buds waiting to develop into the person we each would like to become. School shapes these dreams by forming outlines, guidelines and deadlines, which we all must meet or fail. Along with education, we find excitement and enjoyment at Northland.

Carolyn Goff and her friend find a quiet place to share lunch.

Jeff Yee explains the situation to teammates on the field.

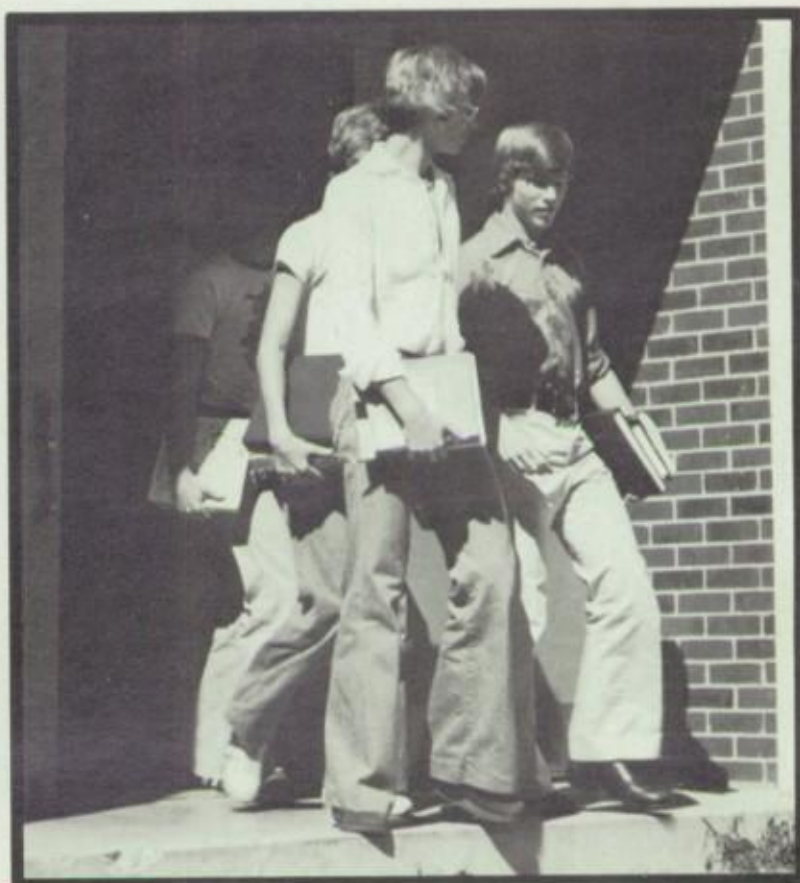

The number one parking space at Northland belongs to the number one man.

# TIME . . .

While some days seem as long as a year, special moments pass very quickly. To each of us there is a special memory to associate with each part of the school. The classrooms, the study halls, the lunchroom, the gym, the stadium, and the principal's office all bring special memories to mind. These are the sentiments that will be held close to our hearts as we watch the times of our lives pass by.

Bob Dean makes a fast exit . . . with a smile.

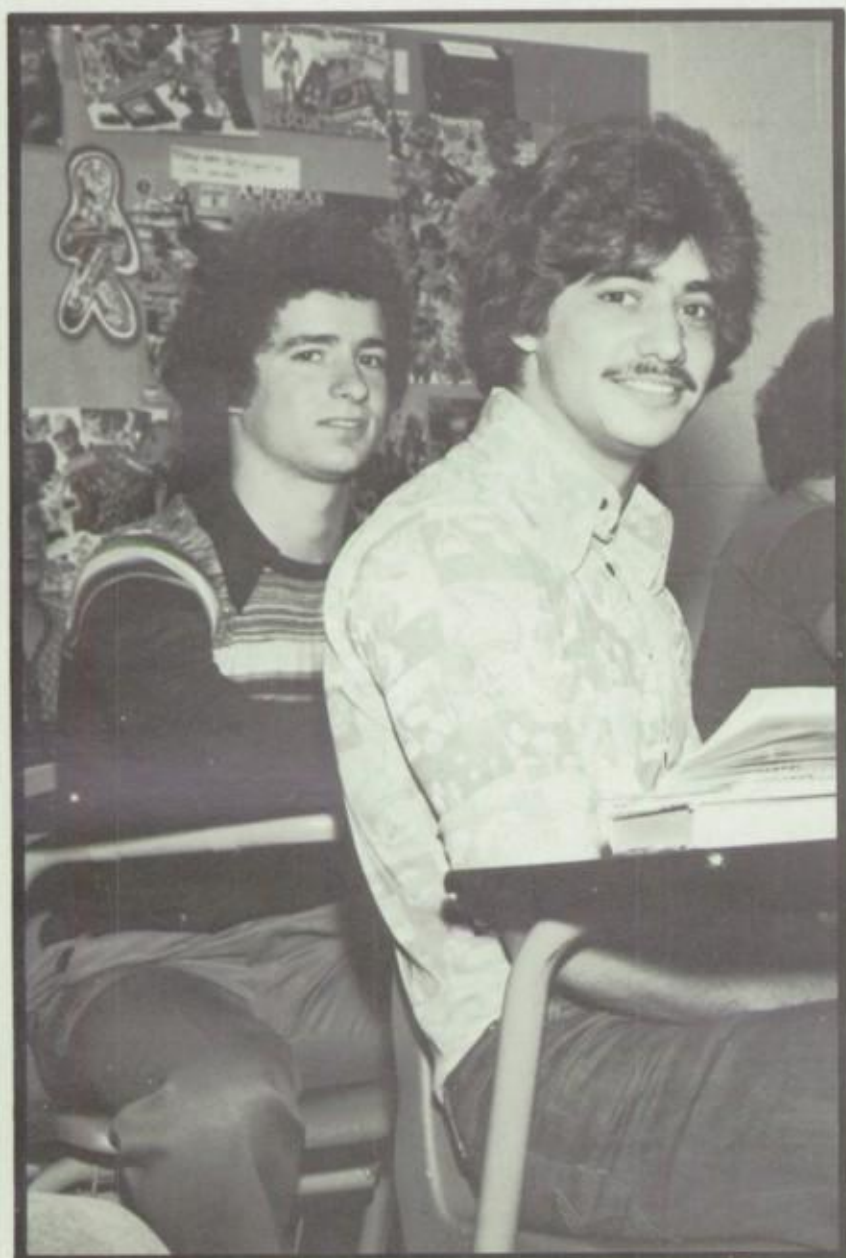

This drummer shows that the band plays a big part of many assemblies.

This is what really goes on behind closed doors.

"This is my car and it's registered."

Jeff Yee is the quarterback in action at the forty yard line.

## STUDENTS HAVE INTERESTS

Most are unaware of the deep-rooted feelings they actually have toward Northland. Students have interests that branch from one extreme to the other, and most display these through activities or organizations at the school. Often a student will claim to be indifferent, but to be a Northland Viking is a heritage that everyone should be proud of.

Most of the shadows of this life are caused by standing in our own sunshine.

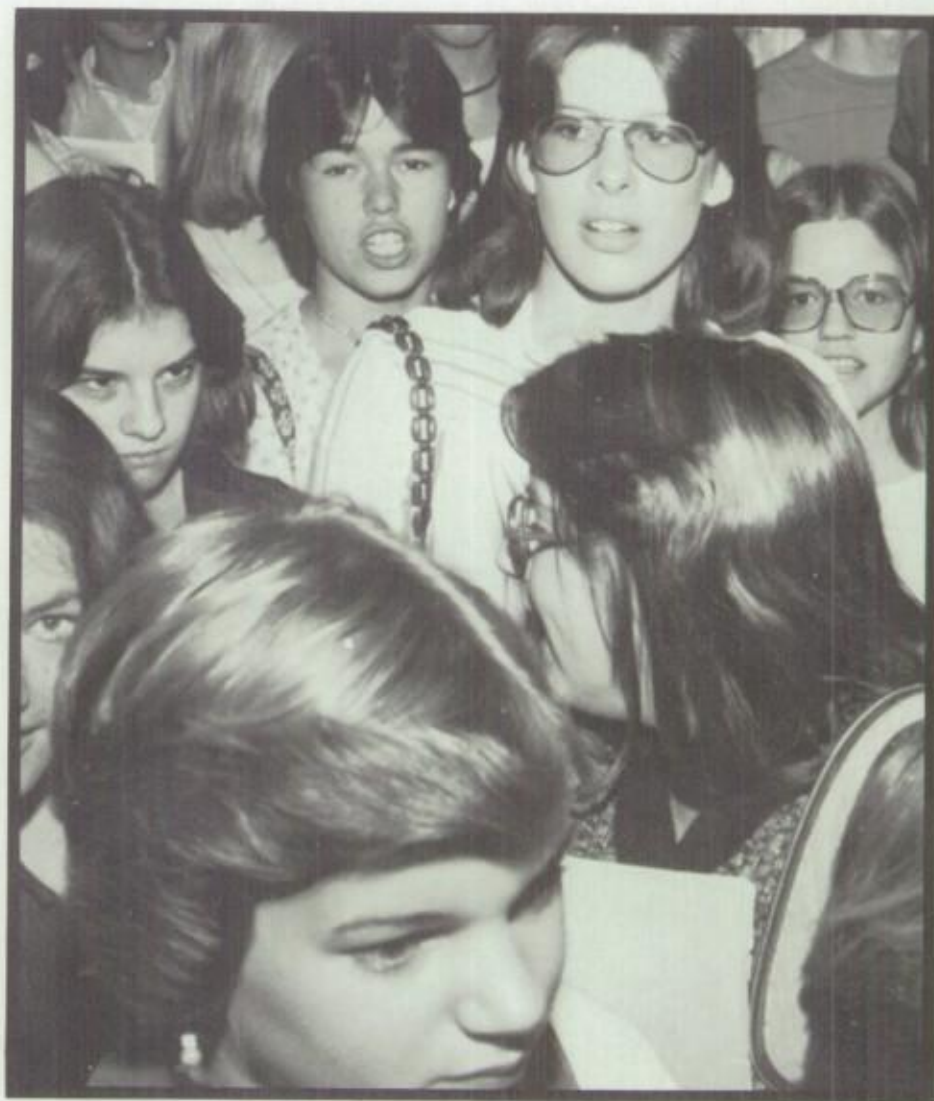

# THE SEED OF AN IDEA,

## DREAMS . . .

Each person has individual dreams and goals to fulfill. Along the way one encounters many people, who offer help and opposition. It is during high school we learn of friendship and what it means. This is why many dream of good luck, good health, and good companionship.

Tim Brown and the Marching Band watch the "Green Machine" blow off steam.

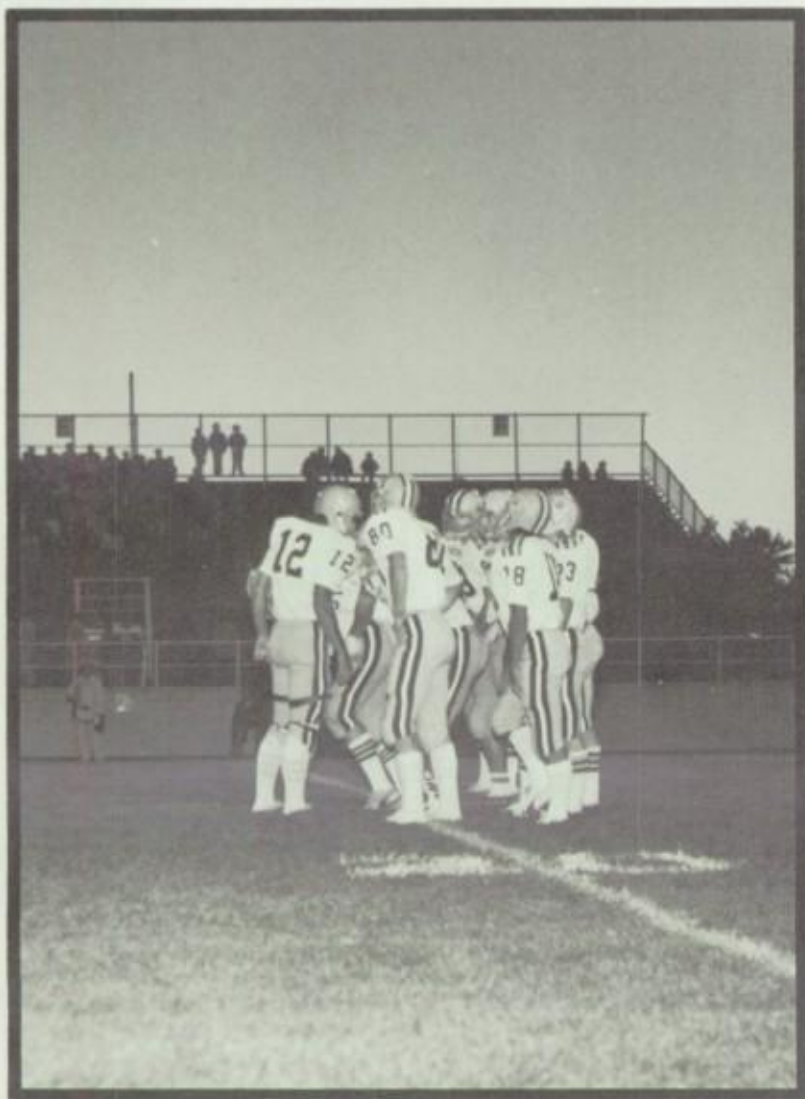

Where am I? Overcrowded halls are a part of life.

IN ALL YOU DO*

The Vikings certainly followed this advice.

# *WE EXCEL AS INDIVIDUALS AND TEAMMATES*

EVERYONE NEEDS A PLACE TO BEGIN AND  
SOMEONE TO HELP THEM ALONG THE WAY. OUR  
TEACHERS HAVE URGED US ON WITH KIND  
WORDS, ASSIGNMENTS, AND JUST ENOUGH PUSH  
TO ENABLE US TO BE STEADY, STABLE  
INDIVIDUALS. THEY HAVE CONSTRUCTED THE  
FRAMEWORK THAT WE WILL BUILD UPON IN THE  
YEARS TO COME . . .

# STAFF MEMBERS SET GOOD EXAMPLES

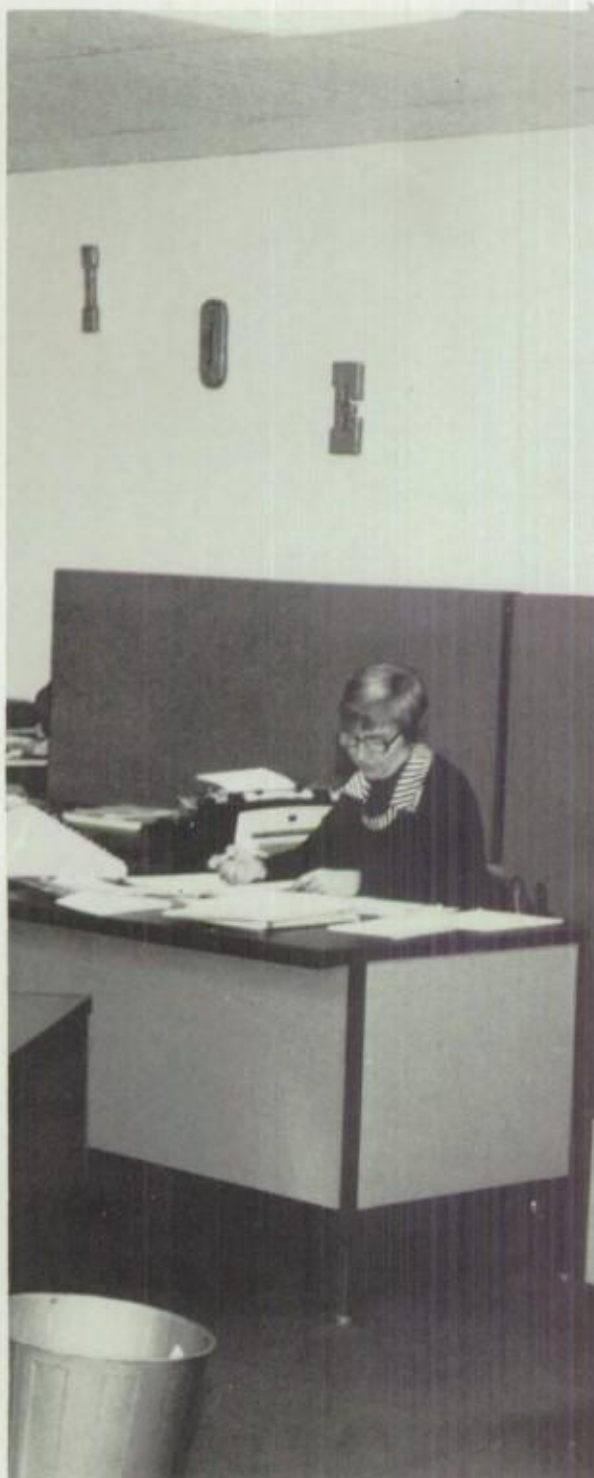

The Northland faculty has always exhibited teamwork and spirit in their activities. A good example was this year's school levies. Members of the staff pounded the pavement working hard to make the levy pass. The renewal did pass but the additional did not. However, statistics showed the majority of Northland area voters backed both levies.

Language Clubs offer students a door to exciting and bright new worlds. Through discussion, projects, and just-for-fun activities the clubs provide new learning experiences for each individual.

The French Club enjoyed French Christmas Caroling, A French Movie *L'Argent de Poche*, and planning the French In The Know. Northland's Dean Allemange was high scorer for the contest between eight central Ohio Schools.

The German Club has an annual dinner at the end of the year and sponsors many bake sales.

The Russian Club was involved in a retreat at Camp Ohio where they spoke only Russian, a trip to a Russian restaurant, and Slavic Day at OSU.

# *"Forsan et haec olim meminisse juvabit"*

One of the largest clubs at Northland, the Latin Club is a group of energetic students working together to improve their knowledge of Latin and have a lot of fun besides. Latin Club sells Isaly's cheese as a money-making project each year. The 1977 traditional Latin T-Shirt was inscribed with the words "Spend the Night With Vergil." The money from these two projects is used for the annual Latin banquet which is handled with the utmost Roman formality. Held in May, Latin students dress in Roman clothes ranging from gods to slaves. The Latin Fair, also held late in the year, allows students to share and compare knowledge with other schools in Central Ohio. Led by advisor, Mrs. Carolyn White, the students soon learn that "They pay people to make dictionaries you know."

Veni, Vidi, Vici.

LATIN CLUB: Marie Veatch (Corresponding Secretary), Craig Stephens (Co-President), Mrs. Carolyn White, Steve Adams (Treasurer), Langley LaMarr (Recording Secretary). Speak no evil . . . Hear no evil . . . See no evil . . .

The Northland Student Council has a great responsibility planning the 1976-77 school activities. This includes planning Homecoming, Sadie Hawkins, and contests involving Burger King and McDonalds. The major responsibility of Student Council is to be the voice of the student body. Each homeroom elects a representative, who attends a meeting at least every two weeks. There they debate major issues concerning policies, improvements and problems at Northland.

STUDENT COUNCIL: FIRST ROW: Jerry Bunge (Treasurer), Judy Kenny (Sgt. At Arms), Chris Weideman (Vice President), Pam Oberling (Secretary), Brian Gouhin (President), Tim Bond (Sgt. At Arms). # NORTHLAND SMOKES CENTRAL 160-20

The In The Know Team spent many long, hard hours practicing and studying sample questions. The severe weather conditions forced team members to practice on their own time.

Their match against Central High School was an overwhelming victory, so the practices did pay off. One more televised match is scheduled to be played against Dublin. These superior players and students are an asset to Northland.

IN THE KNOW TEAM: FIRST ROW: Dean Allemange, Sally McClaskey, Mary Clouse, Jim Griffin. SECOND ROW: Ms. Micheals, Paul Evans, Doug Gardner, Bill Johnson, Brian Barnhart, Joe Dolan, Mr. Schreiber.

Lights . . . Camera . . . Action . . .

# LEADERSHIP AND GRADES EARN RECOGNITION

Jeff Yee presents Terri Tackett with her National Honor Society induction notice.

The National Honor Society at Northland inducted 95 new members into the Harold Eibling chapter this year. The students were judged on scholarship, leadership, service and character qualities. They are recommended by teachers but the most important thing is what they do for themselves.

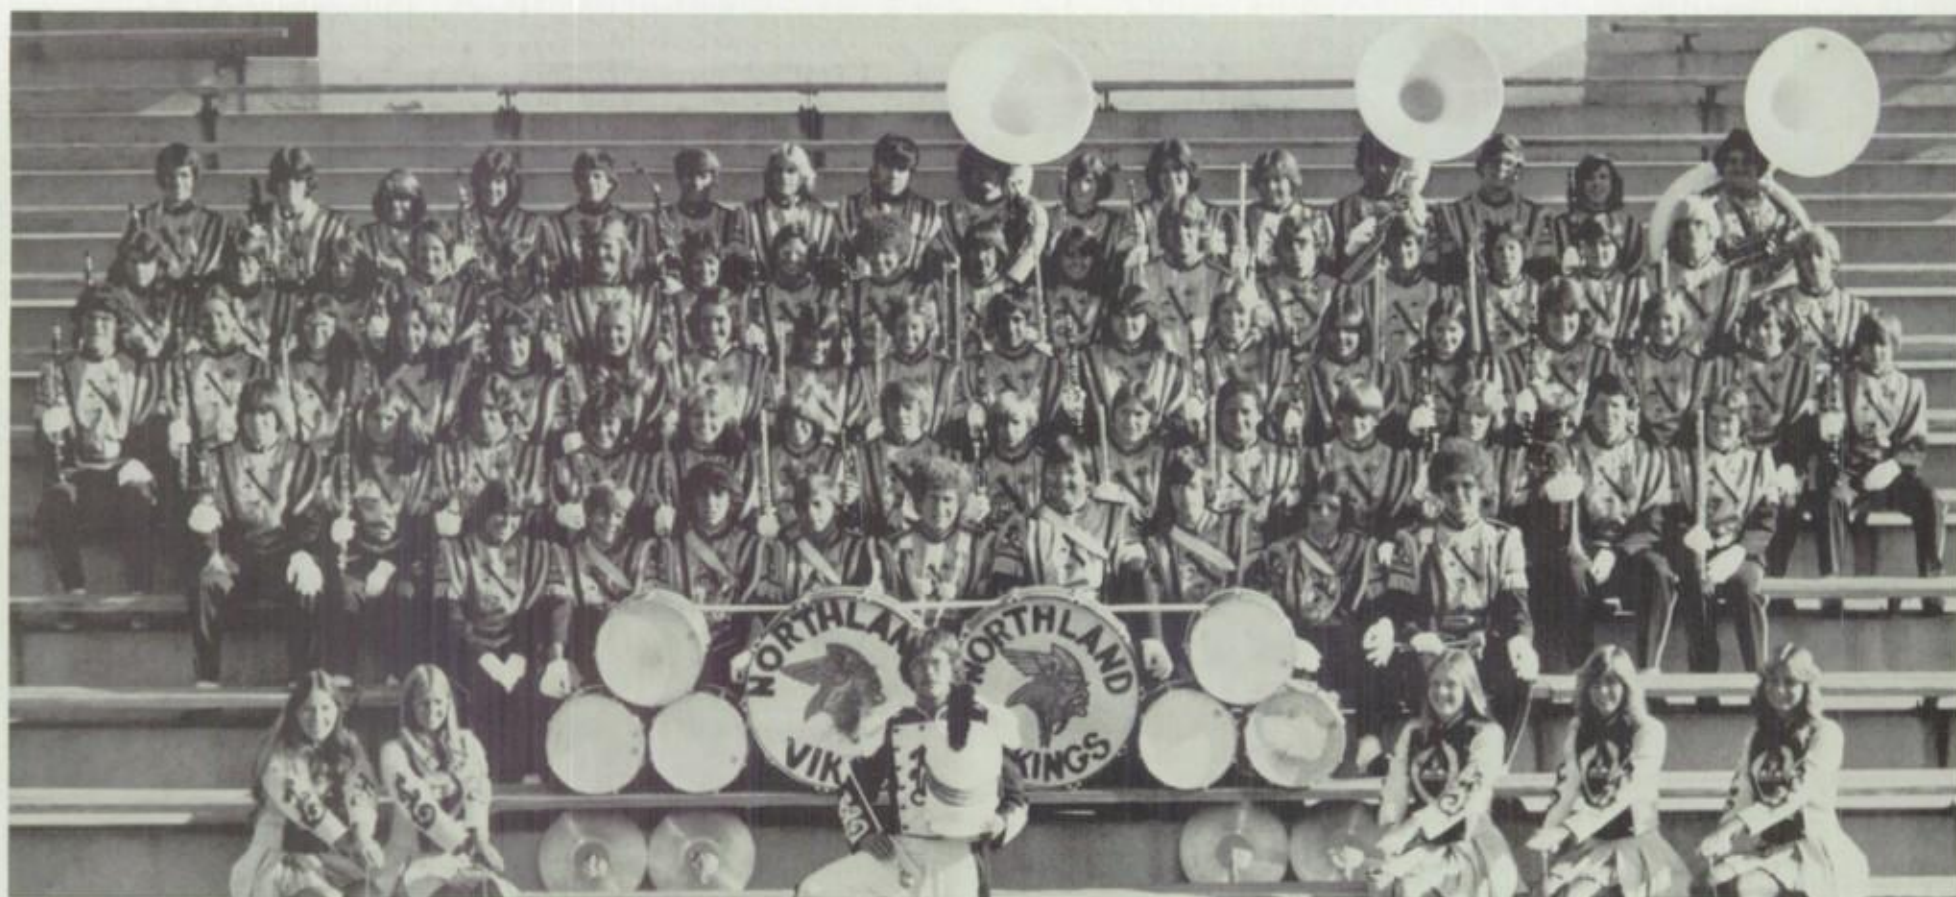

The National Honor Society participated in the Project Feed Canned Food Drive for Christmas and sold Entertainment "77" booklets. The society welcomed its many new members and hoped to encourage them to carry on the standards which have long been lived up to.

The 1976-77 Marching Vikings begin their season during the hot month of August. Stiff competition, judged by director, Mr. Jerry McAfee, was the stipulation for becoming a member of the band. Despite the large number involved, the group is very close knit. Led by "father figure" Tim Brown, the Marching Band is just one big happy family with a lot of love and talent to give. They are the brightest and the best. Northland is proud to be represented by such a fine group.

The thirty girls that make up the Valkyries Drill Team spent a part of their summer at an Ohio State Workshop. There, the team learned new routines and practiced diligently. The last day was spent in competition with schools from all over the state. The team earned a first place award.

The Valkyries practiced early every morning with the marching band producing lively and entertaining football halftime shows. Well-rounded routines were enhanced by costumes made especially for the event such as Hawaiian skirts, Clown suits, and Can-can shorties. Led by co-captains Chris Kelner and Mindy Jarett, the Valkyries danced through football season into basketball halftime shows. Their annual competitions were delayed by the harsh winter weather.

Hawaii . . . Viking style.

The Young Adults lift their voices in song to bring joy to all those at the annual fall concert.

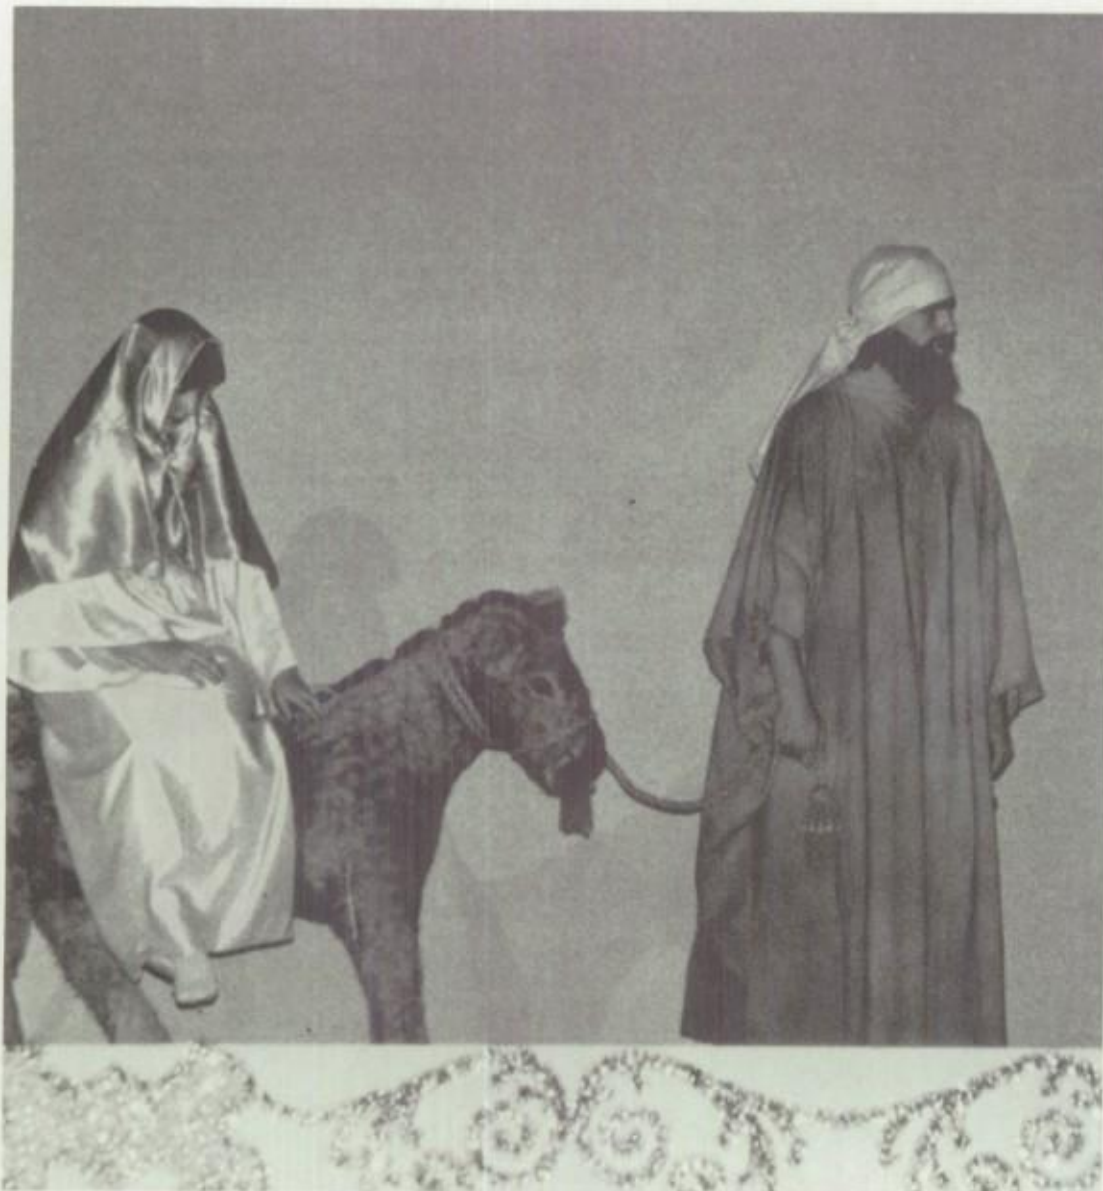

There are many emotions before the first song of the concert.

Northland's Vocal Music Department led by director Mr. Thurman Davis is always more and more creative every year. Their 1976-77 season was very entertaining and rewarding. They continued their salute to the Bicentennial with the Young Adults clothed in red, white, and blue sweaters and skirts or slacks. The Music Department also presented a very religious and dramatic Christmas program with the story of the birth of Jesus Christ in song. It was presented with actors and actresses portraying the characters with the combined choir singing in the background. It was not only touching but also quite elaborate and impressive.

# *An Appropriate Ending to the Bicentennial . . .*

The fall play presented at Northland was an original version of Mark Twain's classic, "The Adventures of Tom Sawyer," adapted by Jeanne Lewis. Directed by Charles Lewis, the story deals with the adventures and misadventures of Tom Sawyer, Huck Finn, and all the other colorful characters that reside in Hannibal, Missouri.

A sense of adventure prevailed when the school children discovered the cave.

Obviously Sally McClaskey loves getting make-up put on.

Stage crew members Jeff Mercer and Dave Frattianne work diligently to get the set ready.

Rev. Jenkins (Jim Griffin) leads the congregation of Hannibal in a song of praise when Huck, Joe, and Tom return.

Tom Sawyer (Jeff Winstel) discovers the only way to get work done is to have gullible friends (Joe McDevitt, Tim Litzinger, Paul Lisi).

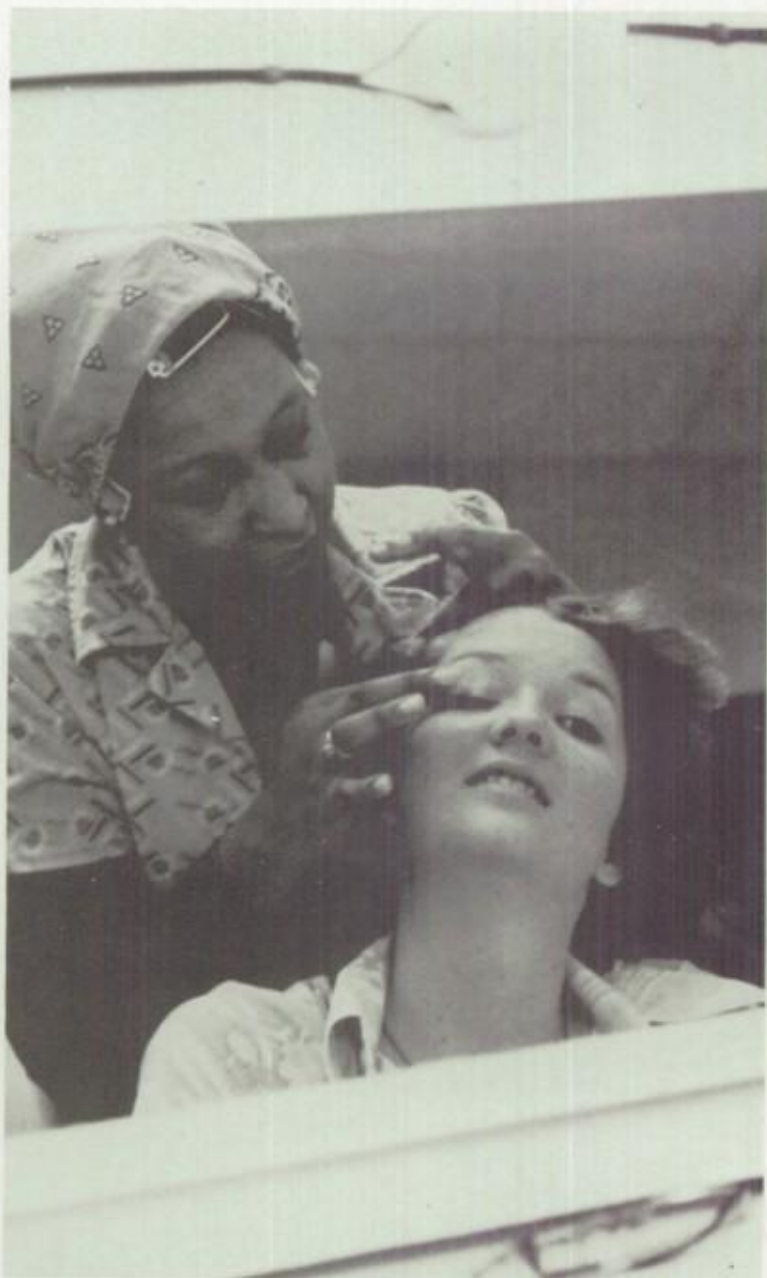

Huck, Joe, and Tom enjoy an after-dinner smoke with Mail Pouch.

# HONORS ARE BESTOWED IN MANY AREAS

CINDY POSTON

CINDY POSTON

On January 10, 1977 Cindy Poston received the Columbus Rotary "Service Above Self" award. Cindy was nominated for this award by Mrs. Dianne Prehm. Her nomination went before the school advisory board where Cindy was selected to represent Northland High School.

The "Service Above Self" award is given to outstanding seniors from high schools in Franklin County. To be eligible for this award a student must be active in civic and community services.

Cindy Poston did extensive work with young children with special learning problems. She has been involved with the Viking Volunteers and has helped other elementary aged children.

Cindy plans to study psychology and special education to become a child psychologist.

Bonnie Gales and Debbie Womack respond to Mrs. Rhymes' last question.

## THE MAGIC OF LEARNING

The deaf students at Northland have a special kind of education that is really beautiful. In classes conducted by Mrs. Geraldine Rhymes, the students study their regular subjects with extra additives that make their day exciting and fun.

Each individual student is involved in Northland and in return Northland is proud to have such a fine group of students in the ranks.

The students watch intently for further instructions.

# NATIONAL COMMENDED SCHOLARS

The National Commended Merit Scholars for Northland were Jerry Bunge, Mike Minutilli, Doug Gardner, and Brad Tilton. These four boys placed in the 95 percentile when they took the PSAT/NMSQT Test in their junior year. This test recognized the students to be in the top two percent of the state which is a real accomplishment. The boys did not place high enough to be considered finalists or semi-finalists but their achievement is well earned.

# BEGINNING IS THE WAY TO PERFECTION

With the cold weather and all the snow, the Ski Club had one of the best years yet. Skiing at Clearfork each Monday, the large group of students spent about five hours on the slopes, perfecting their skills, techniques, and falls.

The Girls' Athletic Association was reorganized this year, and quickly became an active club. The Sisters of Bolita held a slumber party at the school gym and sponsored a camping trip to Old Man's Cave. Marshmallows became their club mascot. Other activities included sledding and caroling, which provided the girls at Northland with their own athletic organization.

# There Are Different Forms of Expression

This year the Creative Writing Club was reorganized and carried on a tradition by publishing a literary magazine. The title of the magazine, *Gwydian*, was taken from the name of the Welsh god of writers. Student contributions of short stories, poetry, and essays helped to make the magazine a success.

The Runestone, Northland's School Newspaper was published for the second year under a slightly different masthead. The journalism classes sold the newspaper monthly with articles about sports, clubs, and school activities.

The Yearbook Staff is a different organization. It requires time, effort, cooperation, knowledge, creativity, and enthusiasm. While each of the staff members might not individually possess these qualities, when working together they blend perfectly into a unified organization. It is a business with deadlines, tight budgets, public relations and hard work. There are many upsets, disagreements and mountains of problems to overcome. The staff solves them and moves the yearbook on. They are a good group of carefully selected individuals and they are proud of their accomplishments such as the planting of "Li'l Vike," the little brother of the mighty Viking Tree, in the courtyard. It will stand as a monument to all yearbooks past, present and future.

The 1976 edition of the Varsity Viking football team was expected by many to be the best at Northland. Under the guidance of Frank Howe, the Vikings finished with the record of 10-1. There were many highlights of the season. Their use of the "Statue of Liberty," play during the season, became famous. The Vikings went undefeated in the City League North. The closing victory over Brookhaven assured them of a berth in the City League Championship game with Walnut Ridge. There was record attendance at the Brookhaven game. The concession stand experienced the biggest sell-out they ever had. They were left with one bag of potato chips, a Reese cup, and a stale box of popcorn. Northland led, by a powerful offensive attack and a defense that came up with the big plays and beat an explosive Walnut Ridge team 20-14.

# J.V. Team Holds Tri-City Crown

The 1976 Junior Varsity football team was one of the best teams Northland has ever had. Even though the team consisted mostly of sophomores with little experience, they had an excellent season with a 7-1 record. The most exciting game of their season was with Whetstone, who they had to defeat to share in the City League Title.

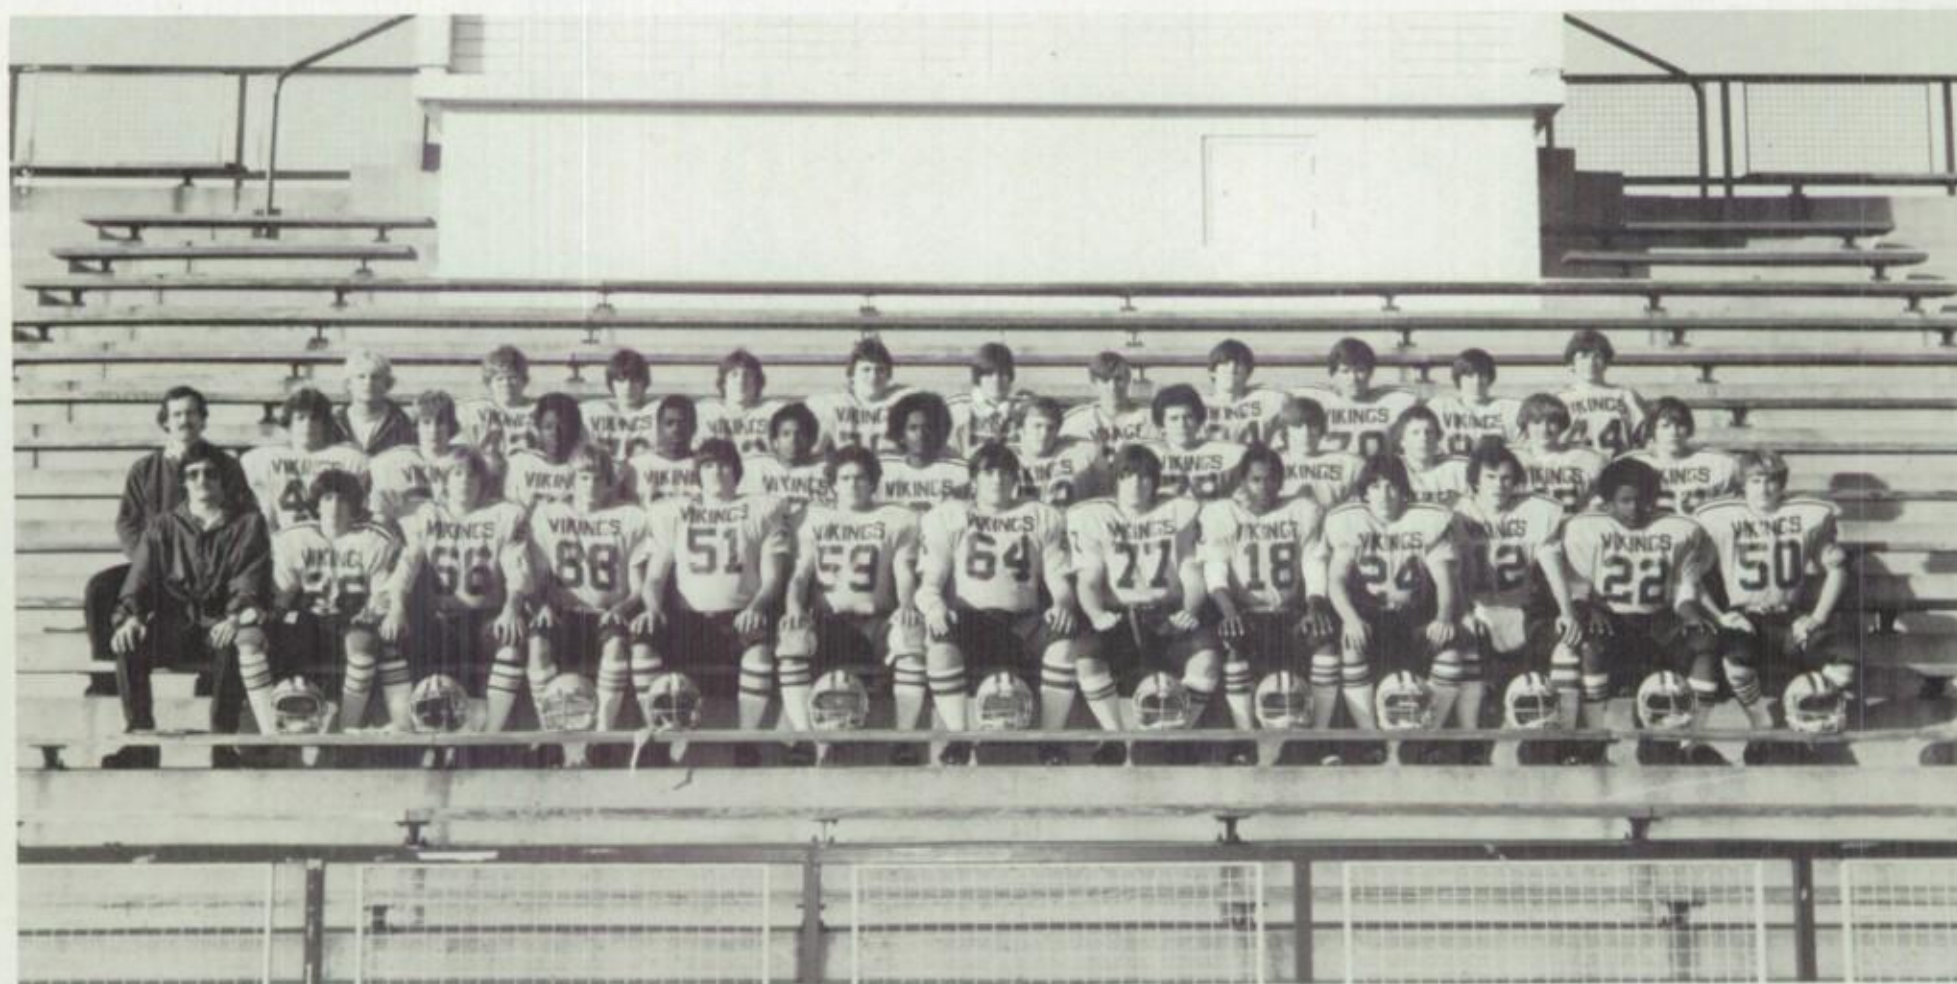

The team is coached by Mr. Decatur, Mr. Laush, and Mr. Dunaway. The boys on the team worked extremely hard and always challenged themselves to do better.

# Cross Country Is a Blend of Determination and Strength

The Cross-Country Team is made up of many dedicated individuals who wish to improve their skills and compete as well. Mr. Kull is the coach, and he urges all of the team members to work and strive for each of their individual goals. There is a lack of spectators during Cross-Country Meets, but this does not dampen the team's spirits. They are a group of hard workers and as their record shows, it pays off.

Many people were especially drawn to the 1976 Cross-Country Team because of a novelty teammate. Pam Oberling, a senior involved with the girl's track team, went out for the Cross-Country Team to improve her skills. She worked on her time as well as competing in races.

Jeff Kniece is also a very promising figure on the Cross-Country team with his many honors and recognitions.

Northland's Golf Team, once again, was a very good example of both spirit and skill. The boys played very well against all their opponents and produced a record of 11-3. # *Girls' Tennis Team Attends State Tournament*

The Girls' Tennis Team, led by Coach Janet Wise and Captain Patti Sprouse, had a wonderful season this year. Beginning three weeks before school, the team organized themselves into stiff competition for the City League Title. They lost this chance when they were unable to defeat two schools, Whetstone and Walnut Ridge, putting their record for the city at 8-2. The Varsity Team consisted of Karen Cook, first singles; Mindy Orr, second singles; Patti Sprouse, third singles; Jackie Loewe and Jane Sprecher, first doubles; and Patrice Wevodau and Diane Painter, second doubles. Some of the highlights of the season were riding to the Whetstone game in decorated cars, Mindy Orr's climatic team win at Eastmoor, Patti Sprouse's three hour match against Centennial, and Patrice and Diane, who should have been called "Shake and Bake." After City League play ended, the team continued practicing for the first girls' State Tournament. This tournament was an all-day meet and the girls enjoyed themselves as well as experiencing much competition. Senior Karen Cook went undefeated in her season this year. The whole team had high hopes for Karen at the State Tournament and she lived up to every one. Karen finished seventh in the state.

# Girls Volleyball Strives for Power

The Girl's Volleyball Team had a good season this year with their brand of power Volleyball. As always the games were tense and exciting. In the City League play the girls finished 7-6 Varsity, 8-2 Reserve. This year's team had such fond memories as sticking marshmallows on Coach Boltz's orange Volkswagen and their annual toilet papering of the girl's tennis team houses, and Karen Milligan and Debbie DeVilbiss doing dives across the floor. The Walnut Ridge was their most exciting game according to Senior Karen Milligan. Every person played the best they had ever played and the team produced a win over their tough competitors. At the State Volleyball Tournament the team went in high spirits. Just to insure the team spirit stayed high, two of the juniors, Joyce Hazlett and Kyle Dennison, donned old cheerleading uniforms and led cheers for the Volleyball Vikings. The spirit of teammates and the bench is what made the 1976 team unique and wonderful.

Jenny Knecht, a junior, was selected for the All City Volleyball Team.

# BASKETBALLERS SHOOT FOR HIGHER BASKETS

Northland's Basketball Team finished the season by losing to South High School at the Triple A Tournament at Capital University. The 1976-1977 season for the dribbling Vikings was filled with disappointments and defeats. Their games ended with many overtimes, which the team tried diligently to win in vain. High scorers for the team this year were Jim Stumph, Bob Swager, and Scott Burkholder.

# JV TEAM SECOND BEST IN CITY HISTORY

Northland's JV Team utilized close teamwork and skill to break many records: the best team 14-4, best City League 11-2, most points averaged 67.3. The team's average (71.0) points in the City League was both a Northland JV record and the second best in City history. The JV Team also had the most points ever in one game in City history against Mohawk 104-60. The Co-Most Valuable Players were Dan Albert and Tom Burns. The high scorer was Ron DeVore with a 14 point average.

# JUST WAIT UNTIL NEXT YEAR

The Girls' Basketball Team had a discouraging season this year. With a Varsity record of 7-5 and a Reserve record of 4-7, their City League dreams were shattered. However, with 4 out of 5 starting team members returning, Coach Boltz predicts a 77-78 City League Title for the girls.

The All City Team members for this year were Rhonda Spencer (1st Team), Caren Truske (2nd Team), and Lori Shrigley (Honorable Mention).

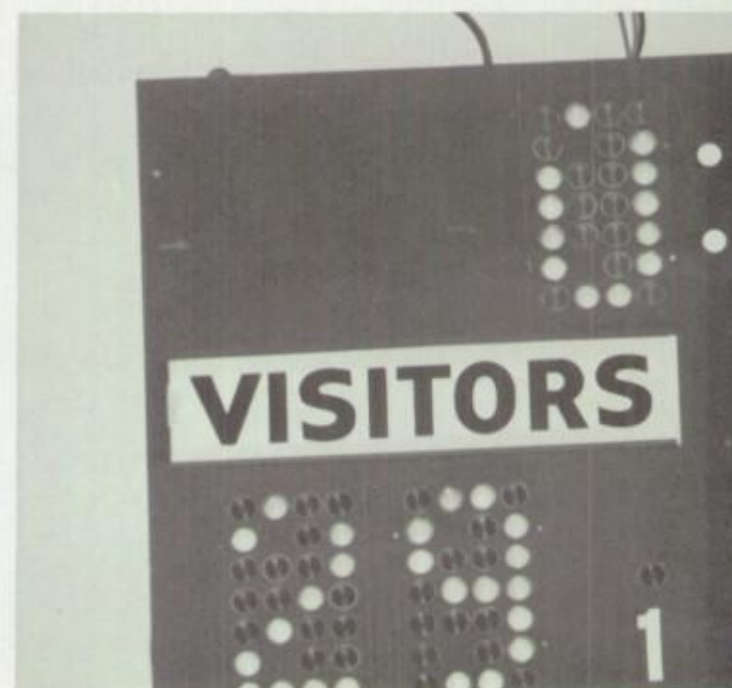

Regardless of their numerical records, their efforts and spirits were still the tops.

The Reserve Team chalks up another win before heading to the locker room.

# SWIM TEAM WINS ACADEMY RELAYS

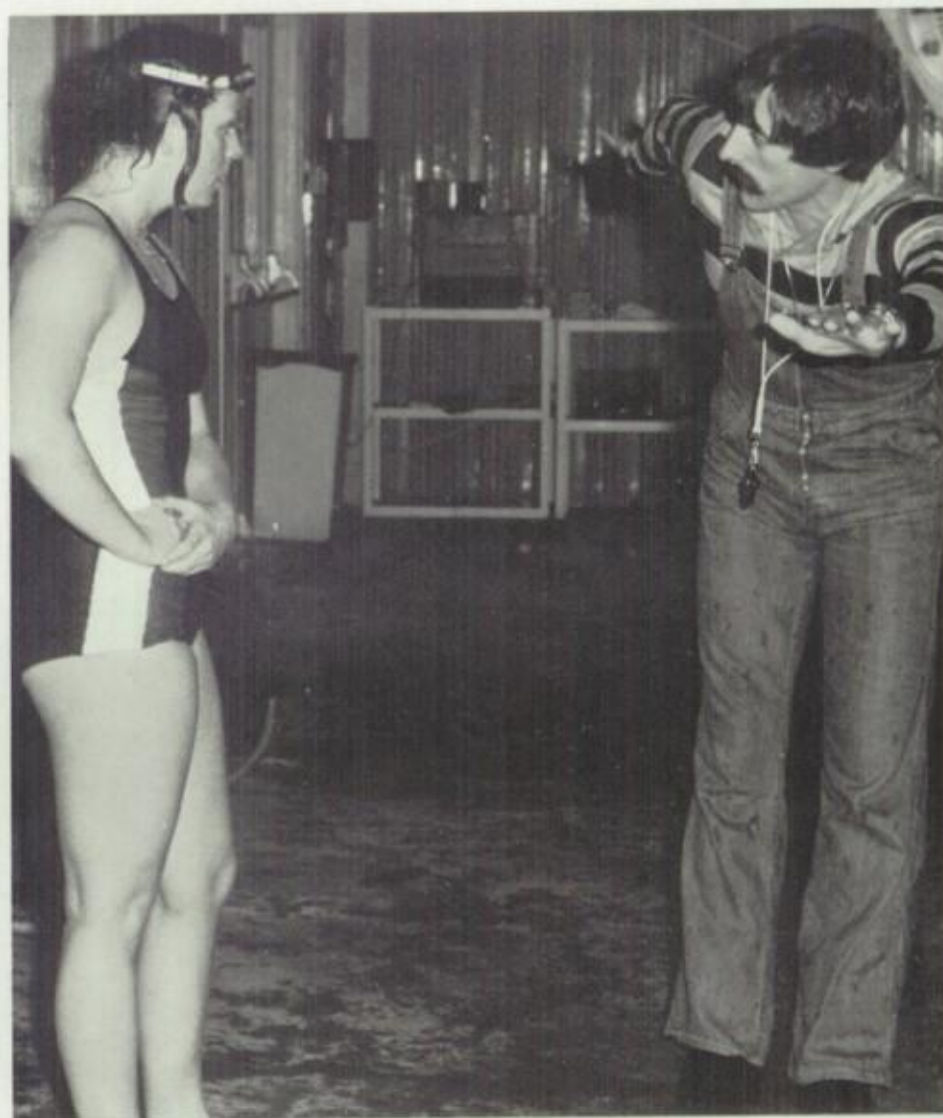

Once again, the Viking Swim Team set high goals for themselves. Many of these goals were obtained during a successful season.

On Thursday, March twenty-fourth, they held their annual banquet. At this time they inducted past and current record breakers. All swimmers on the team attempted to achieve individual goals. If they met or surpassed these goals, they received a little Viking head in recognition of their achievements. Awards for the season went to Marc Rayburn — Most Valuable Swimmer; Kim Cafagno — Best Attitude; Penny Craig — Hardest Worker; Doug Mould — Most Improved.

The Vikings felt their successful season was due to a first time victory at the Academy Relays. They ended the year by placing eleventh in the District.

Doug Mould heads toward the finish of another win.

# PDQ MEANS PRIDE, DESIRE, AND QUICKNESS

The Varsity wrestlers lived up to their motto, Pride, Desire, and Quickness this year by having another excellent season. This season will stand out as one of Northland's best. The Viking wrestlers had a fine tournament record including a tremendous victory at Gahanna. In this victory, they placed all thirteen wrestlers in the top four including three champions.

The wrestlers worked very hard this season to achieve the goals that they set for themselves. Many of these goals were accomplished, AND ALL THOSE ASSOCIATED WITH THE team should be proud.

The Junior Varsity Wrestling team was just as successful as the Varsity team in capturing its City League Crown. The J.V.'s scored 185.5 points; beating Whetstone by 60 points. They took five first place titles and finished in the top three.

The J.V. wrestlers had an excellent dual meet record of 6-1. They also placed second in a demanding tournament at Eastmoor.

The Varsity team looks forward to the added strength of the Junior Varsity and Reserve teams next year.

# NORTHLAND PINS CITY LEAGUE CROWN

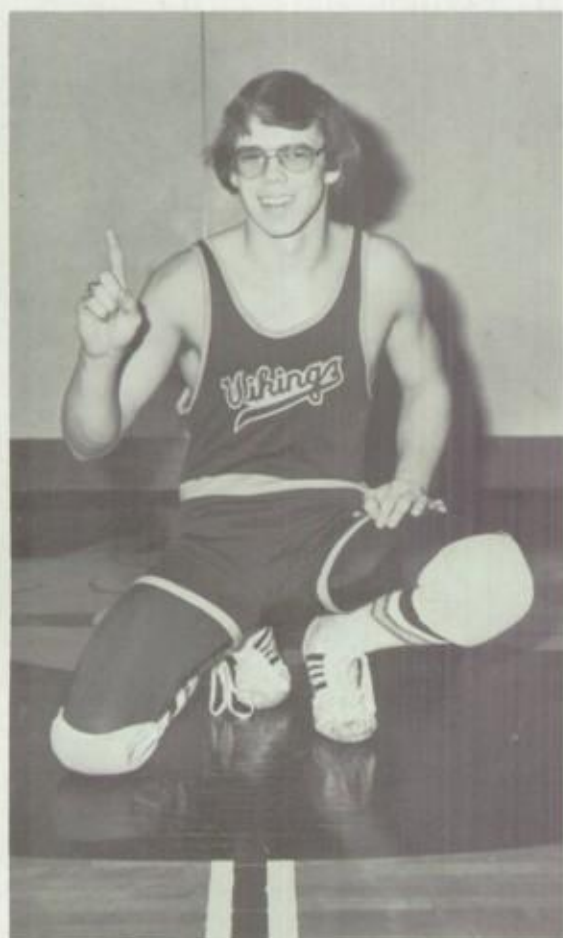

Northland hosted the City League Tournament, which was held during the School without Schools program. This made it very hard in preparing for the meet, but the Varsity Vikings proved their skill by winning the City League Championship.

The victory was the most overwhelming in City League history. Northland racked up 235 points, while its nearest competitor, Whetstone, managed only 139 points. Overall, Northland had seven individual champions.

Coach Deyo, Coach Smith, their staff, and the wrestlers should be proud of their accomplishments.

# UNDERCLASSMEN CONCENT

The sophomore class is just beginning their high school life at Northland. They learn to look up to the upperclassmen for guidance and explanations of traditions. While as a sophomore, one might feel a bit stifled, in actuality it is a learning and storage period for abilities and knowledge. At Northland the sophomore class can hardly be overlooked. The sophomores have produced a championship junior-varsity football team, a talented sophomore choir, and an excellent squad of reserve cheerleaders among other things.

Everyone can realize the transition from a big-shot freshman at a junior high to the youngest student at a senior high is difficult. The large student number at Northland increases this feeling of being lost. However, the sophomores are an important part of the school and most upperclassmen will agree that they are kind of fun to have around. Here's looking toward two more years . . .

This year's junior class is the biggest in the history of Northland High School. The 684 students come from all over Columbus. The biggest majority come from Westerville due to the annexation of 1975 which rezoned the school districts. Other students come to Northland on the Columbus Plan to take a wider variety of courses.

The junior class has many prospects to look forward to. Their strength in numbers will assure them good academic and athletic choice. However, with the current financial difficulties their future seems in suspense. The dilemma of the school system plagues juniors with worries of proper course selection, summer make-up time, and deletion of many extracurricular programs. At this time, no one really knows what September will bring.

The juniors are in a limbo not being either the youngest or the oldest. Though they are enjoying their middle year they anticipate their senior year with high hopes. Northland is looking forward to seeing many accomplishments from this large class.

Junior Debbie Kocak really gets into Northland's activities.

THE SENIOR TREE IS THAT WHICH  
REFLECTS THE YEARS OF ADJUSTMENTS,

ADDED A BIT MORE KNOWLEDGE AND EACH  
YEAR A BIT MORE GROWTH. THE SEEDS  
THEY LEAVE BEHIND ARE THE LEGACIES

AS THE REMAINING DAYS GROW SHORT  
THEY REFLECT ON TIMES PAST AND SHED

# A SENIOR'S LAST YEAR

Senior year is a very special year. It is the start on the road to tomorrow. A senior begins to realize all the things that were once just dreams are now goals to believe in and work toward. Being a senior is a very special feeling. It's knowing that you are on top and also knowing that in June it will all be over.

It is in your senior year you must grasp and hold onto all the moments you can. Memories must be cherished and stored for future use. A senior is a link in the chain of forever and it is up to them to become the leaders of tomorrow.

Amy Fasone reflects on her last year at Northland.

Homecoming 1977 was a success. The football game was on Friday, October 15th and the Viking's opponents were the Linden Panthers. The Vikings overcame the Panthers and Jamie Fabish was announced as the 1977 queen. The next evening the Homecoming dance was held in the cafeteria. The theme was South Pacific and the decorations reflected it. There was a mural, a fountain, and even a pond with goldfish. The evening was highlighted by the crowning of the new queen, Jamie, by the 1976 queen Denise Sentz.

Queen Jamie and her escort Brian, enjoyed their evening at the homecoming dance.

The court anxiously awaits for the announcement

Jamie is congratulated by former queen, Denise Sentz.

of the homecoming queen.

At the dance, the court and their escorts take time to have their picture taken.

# Northland's Seniors, Getting Started on the Road Ahead

The code of honor all Vikings live by . . .

Pat Malone, Jeff Yee, and Greg Black listen intently to the political speaker at the Senior Assembly.

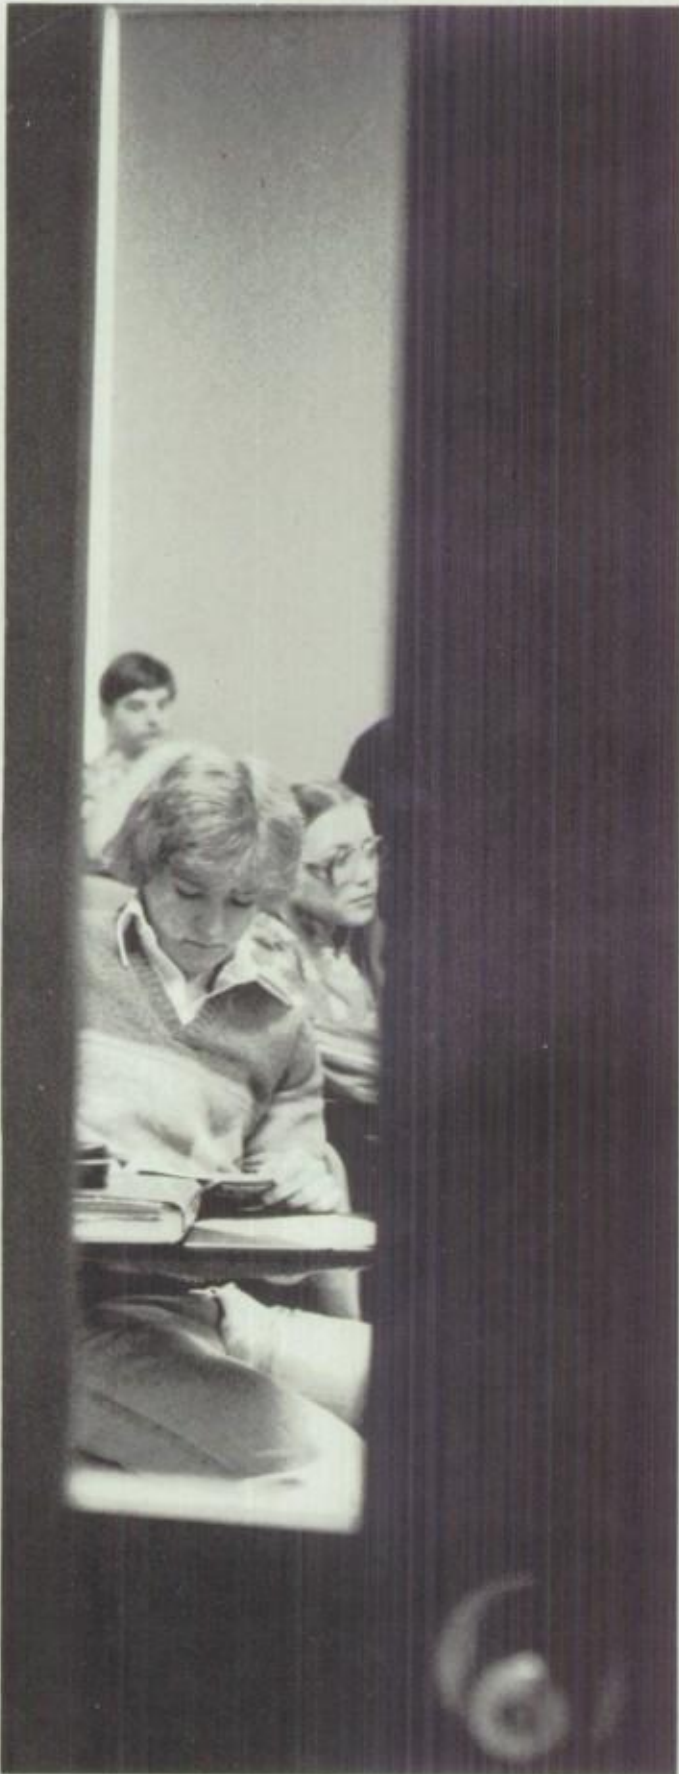

Mike Zolman reaches for yet another goal . . .

Craig Heilman proves that one gets very hungry waiting in the long lunch lines.

# Seniors Pile Up Credits

P.O.D. opens the door to new ideas for seniors.

Tri-Captains Tony Carifa, Craig Conley, and Kevin Oldaker rather sadly realize the season has ended.

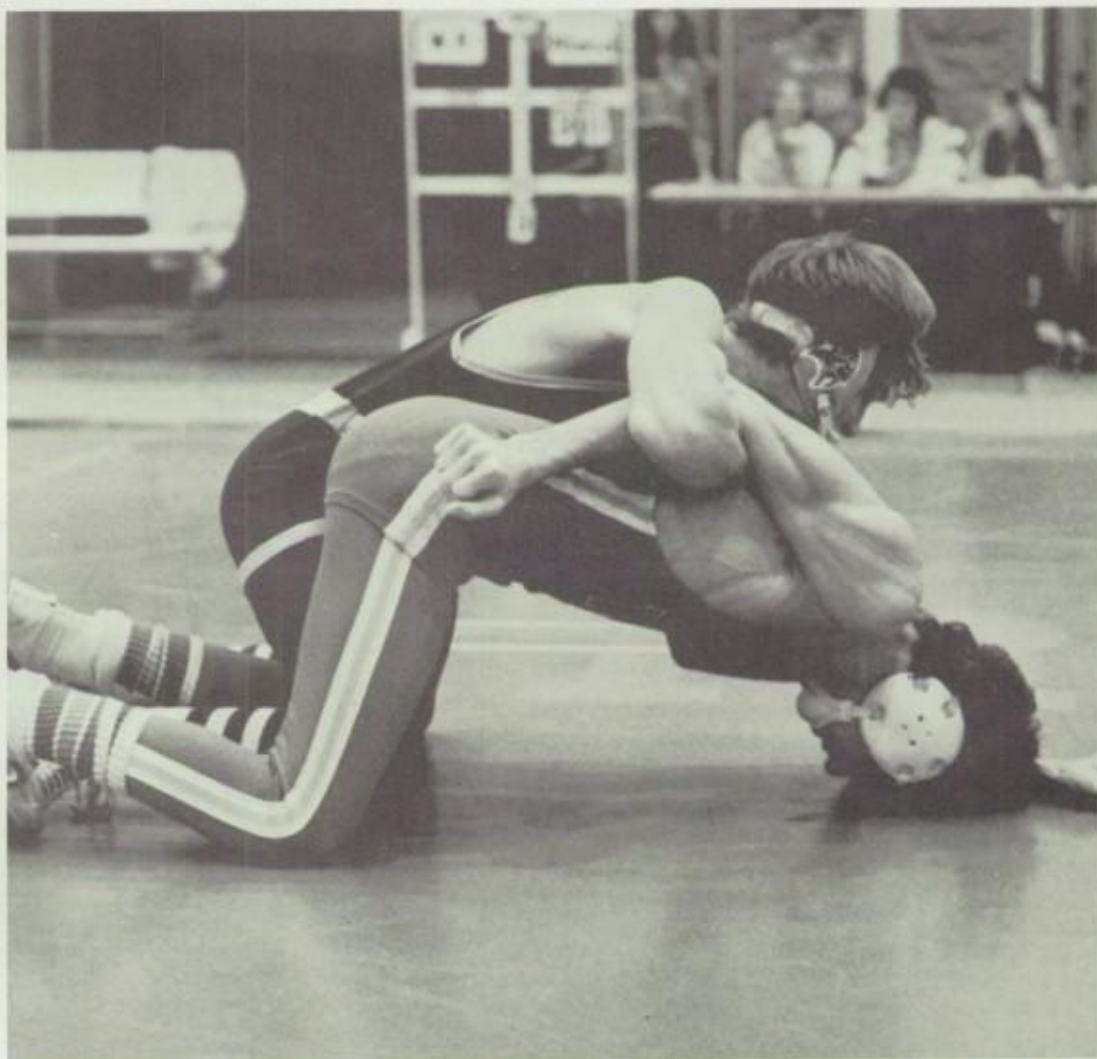

Leaving just temporarily for now . . . but soon it will be forever . . .

## *In Many Areas and Ways*

Karen Cook and Lisa Lechner see the first snowflakes of the winter.

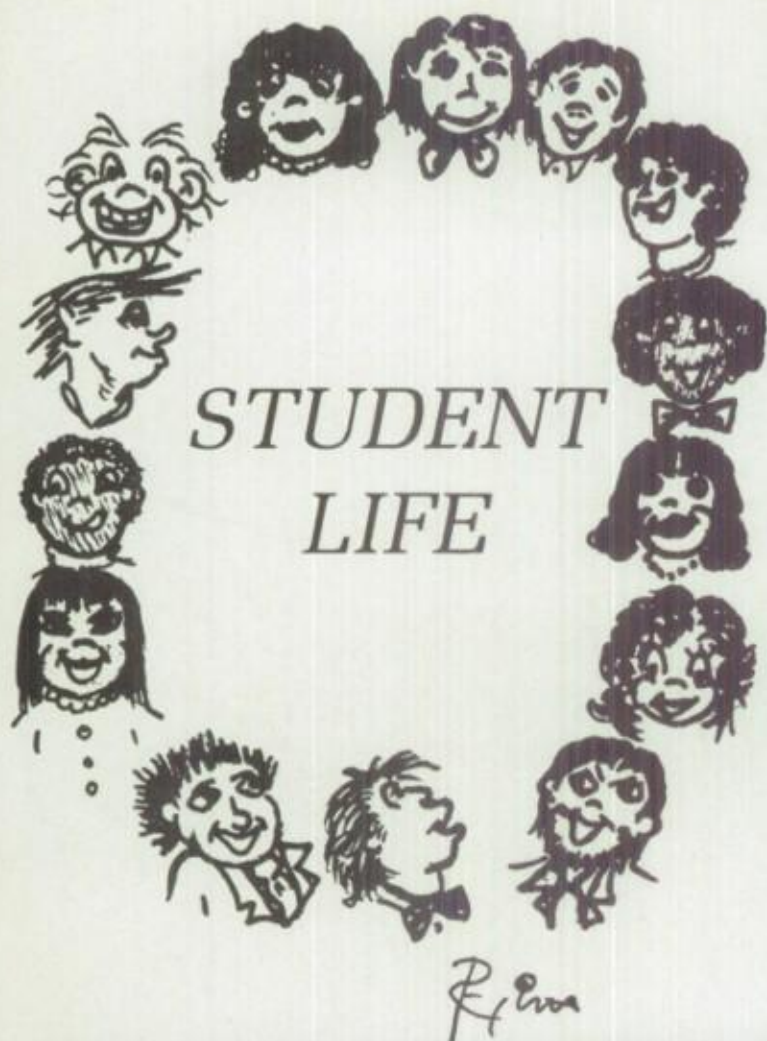

Dave Lowe drives a hard bargain with his opponent.

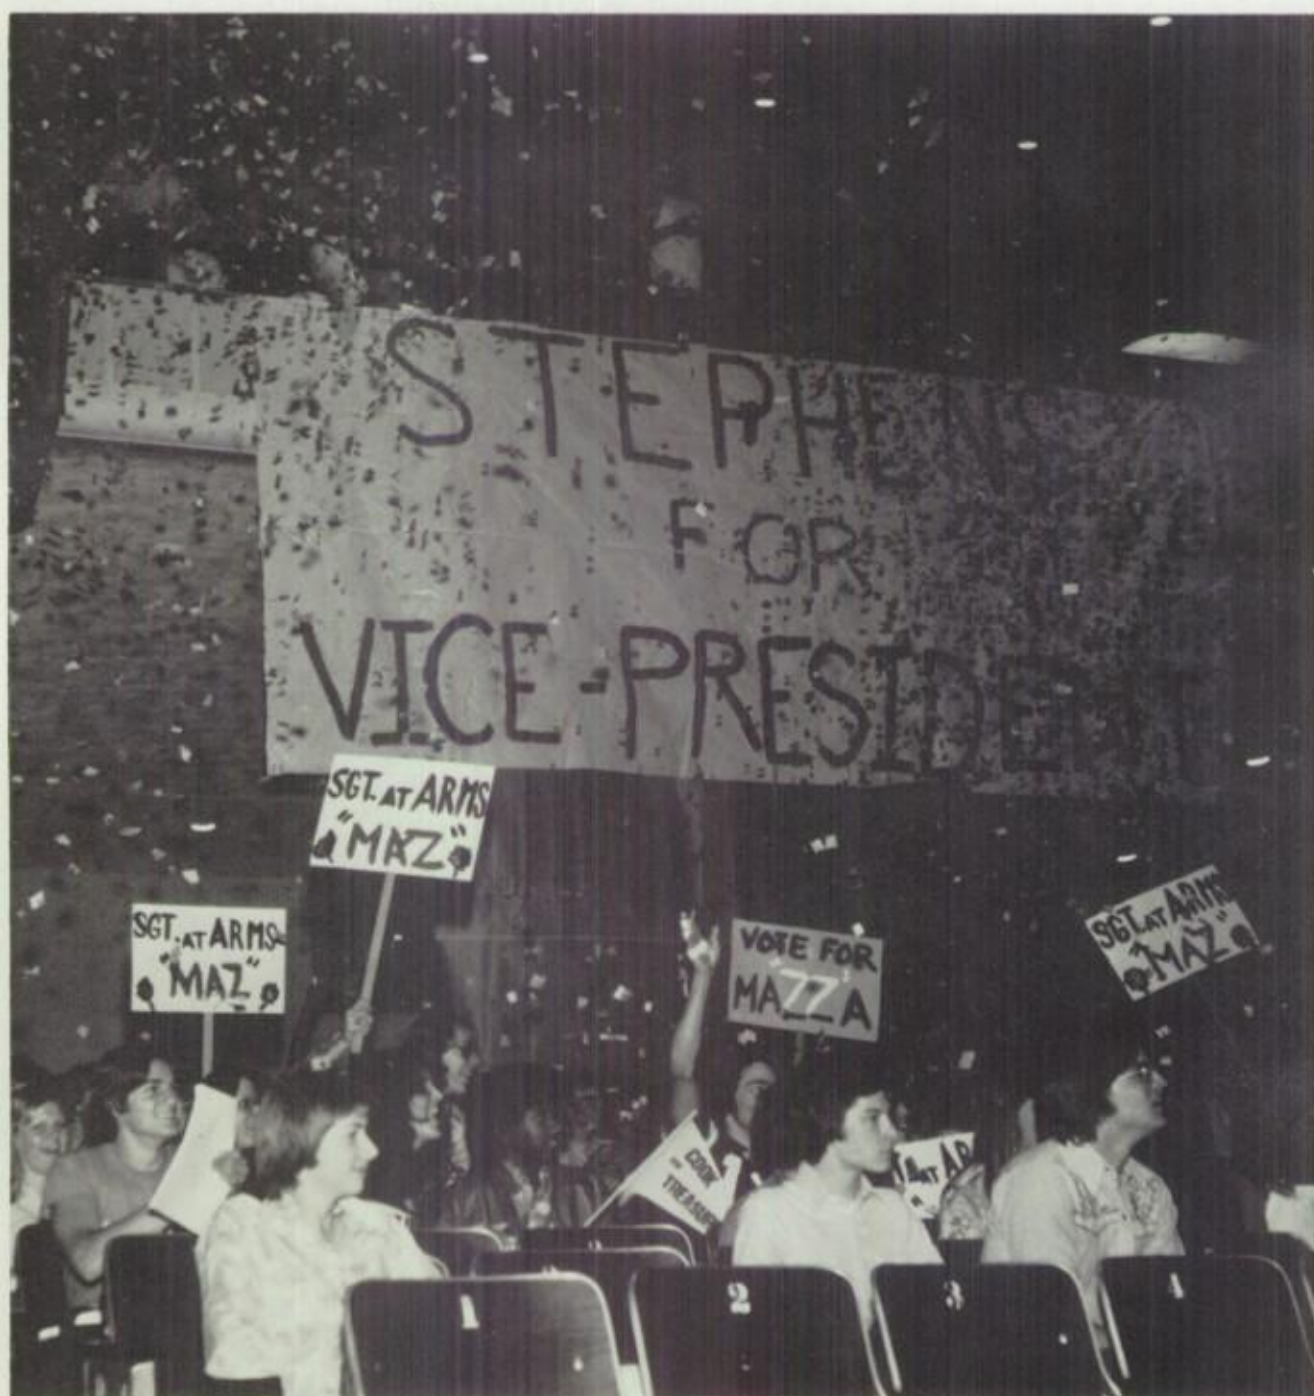

Doug Mould swims on to another victory for Northland.

The Senior Convention took place May third, fourth and sixth of 1976. The Class of 1977, who were then juniors, took the first path on the road into their senior year. They separated into two parties. The Green Party met on Monday and put together an exciting blend of candidate speeches, floor demonstrations, and even a dance line. The Gold Party, meeting the following day, presented everything from balloons, skits, confettito, and a "Fonz" routine by Lyndsey Phillips. During the convention, delegates were asked to vote in their homeroom sections. One individual, the Homeroom Delegation Chairman, would tally the votes and read them to the Party Chairman over a microphone. After speeches by the ten selected candidates on Thursday, the seniors were asked to vote by secret ballot for the five choices. The ten final candidates were Gold Party — Mike Bellisari, Lyndsey Phillips, Marie Veatch, Cathy Hard, and Pam Oberting; Green Party: Kevin Devine, Patti Sprouse, Nancy Hueppchen, Lisa Daniel, and Doug Mould. The results were posted regularly in the showcase and most were excited over the Phillips-Sprouse race, which remained within three vote margin.

Gold Party candidate, Jim Mazza, creates much excitement during his floor demonstration.

Karen Milligan passes out Karen Cook pennants.

# Seniors Begin Journey With Election of Officers

Terri Lager carefully considers her choice for vice-president.

Lisa Watts appeared as a moneybag in Cathy Hard's floor demonstration skit.

The five senior class officers are responsible for the senior activities that all the seniors enjoy. Along with the five undefeated candidates, the ten formed the Senior Executive Committee, which plans carefully and makes the senior year go smoothly. They meet with Mr. Zaayer at least once a week and discuss problems and ideas. These officers will be instrumental in the planning of class reunions in the years to come.

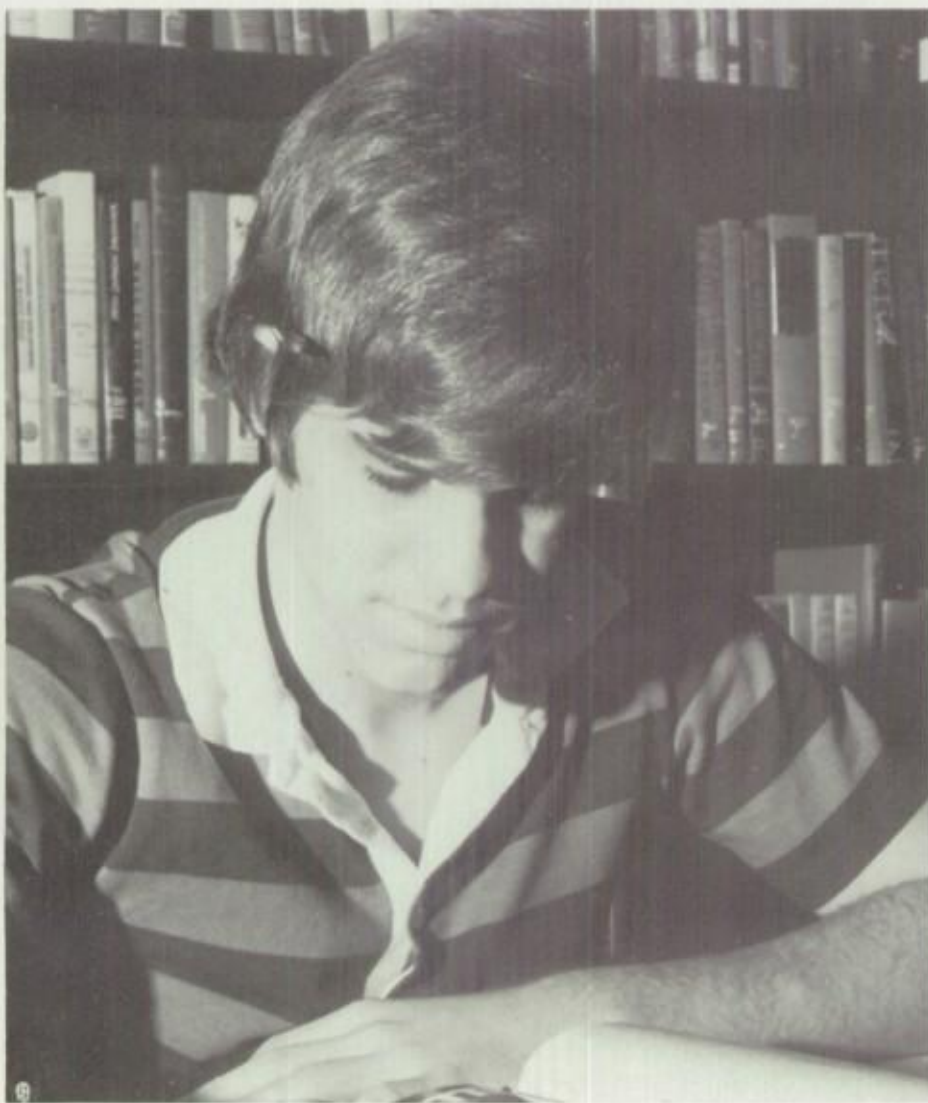

SENIOR CLASS OFFICERS: FIRST ROW: Patti Sprouse, Vice-Pres.; Kevin Devine, Pres.; Marie Veatch, Secretary. SECOND ROW: Lisa Daniel, Treas.; Pam Oberling, Sgt. at Arms.

And afterwards . . . there was nothing left but the remains and the memories.

Debbie Walters gives the right touch of make-up to create the character of Tom Sawyer.

The basketball team huddles to plan defense against their opponent.

Curt Stearns disagrees with the referee's call on the last play.

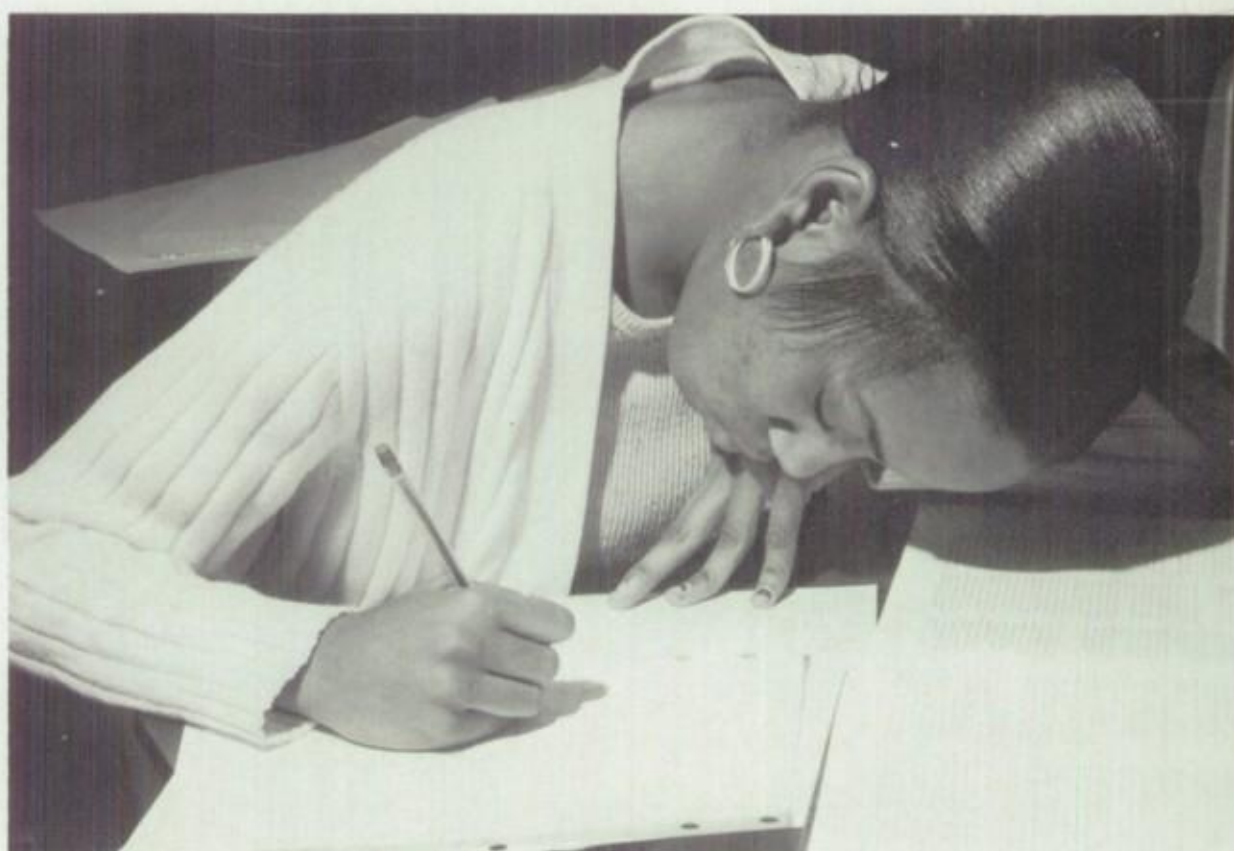

# Individuals Achieve Goals

Every so often Beth Peer finds happiness in solitude.

Tim Brown strives to reach new goals with each toss of his baton.

Homework in history requires much concentration.

Often, the work of one individual makes the team win.

Elaine Kanninen concentrates on "setting" the ball.

# Achievements of Students Make Northland Well-Rounded

Even though she is injured, Angie Schoch marches with a smile.

This shows a lonely perspective of golf.

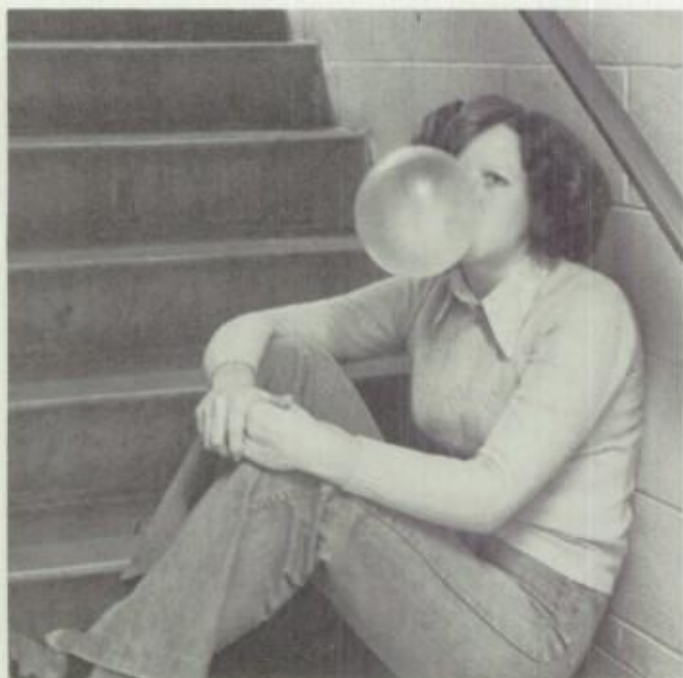

Chris Weideman and her cello make great music together.

Dave Lowry looks for a potential receiver.

# Joys and Sorrows

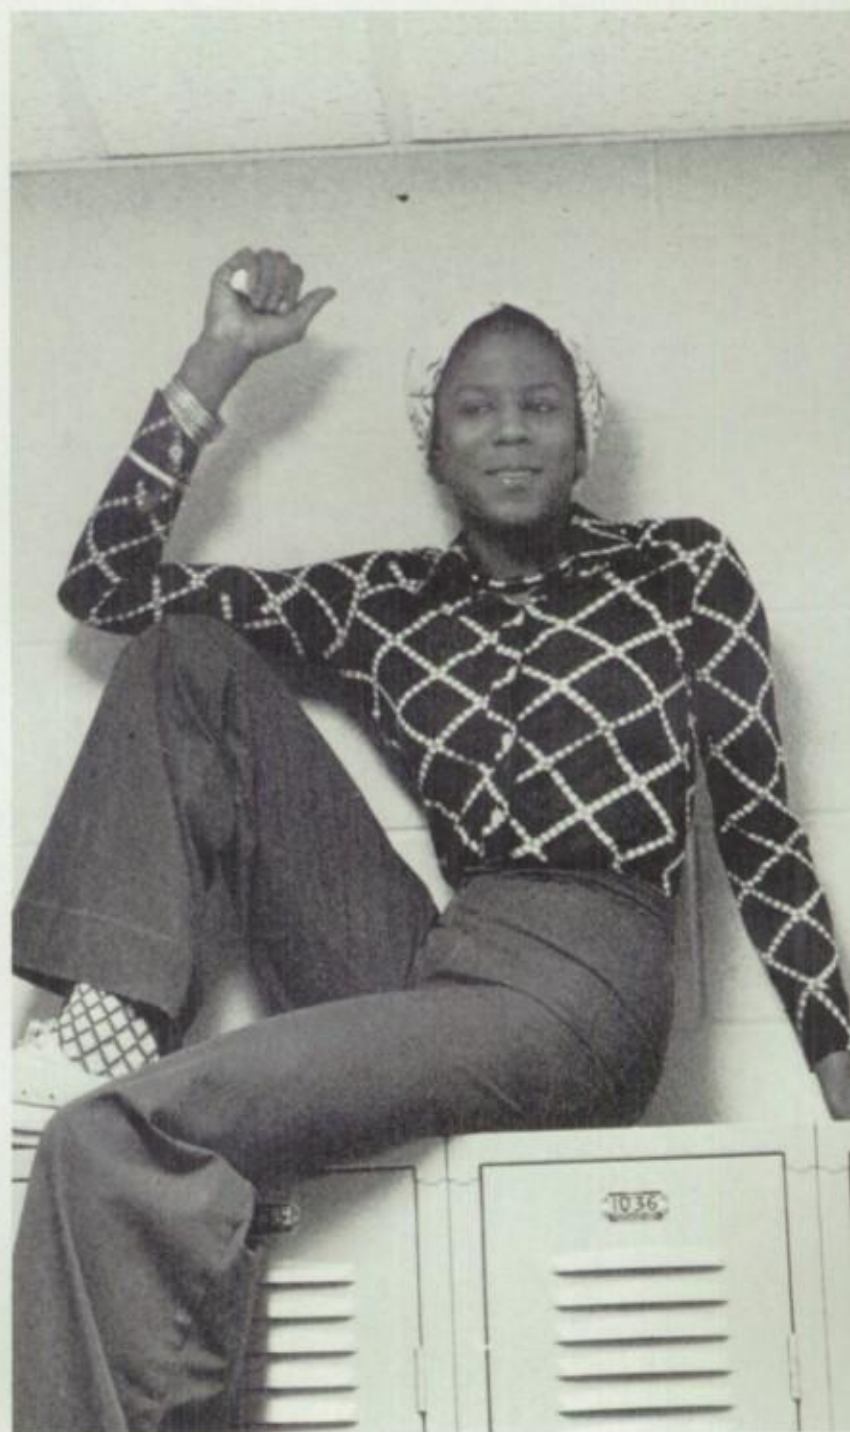

A Northland tradition against "that school down on Karl Road."

Nancy Hueppchen entertains "the troops" at Northland.

The Popcorn Concert was a great success.

Sitting on top of the world looking down on the crowded halls.

Jim Beitel anxiously awaits the referee's decision on an important play.

Caught again!

The agony of defeat.

The banner no longer waves for the defeated candidate.

# SCHOOL WITHOUT SCHOOLS

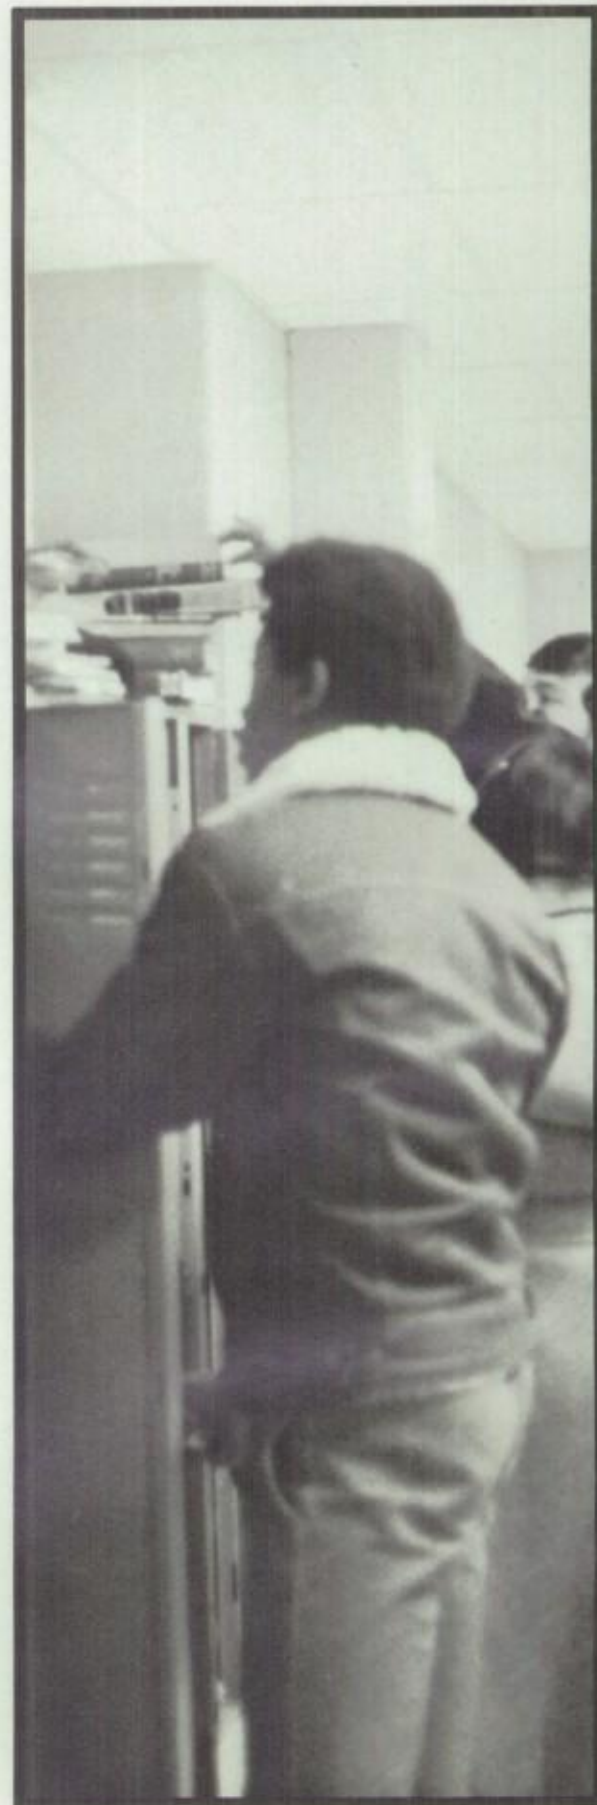

John Tomicki carries a week's worth of work due on the next Tuesday.

Mr. Simpson and Mr. Arena discuss plans for the next television broadcast on WBNS-TV.

School through a camera's eye.

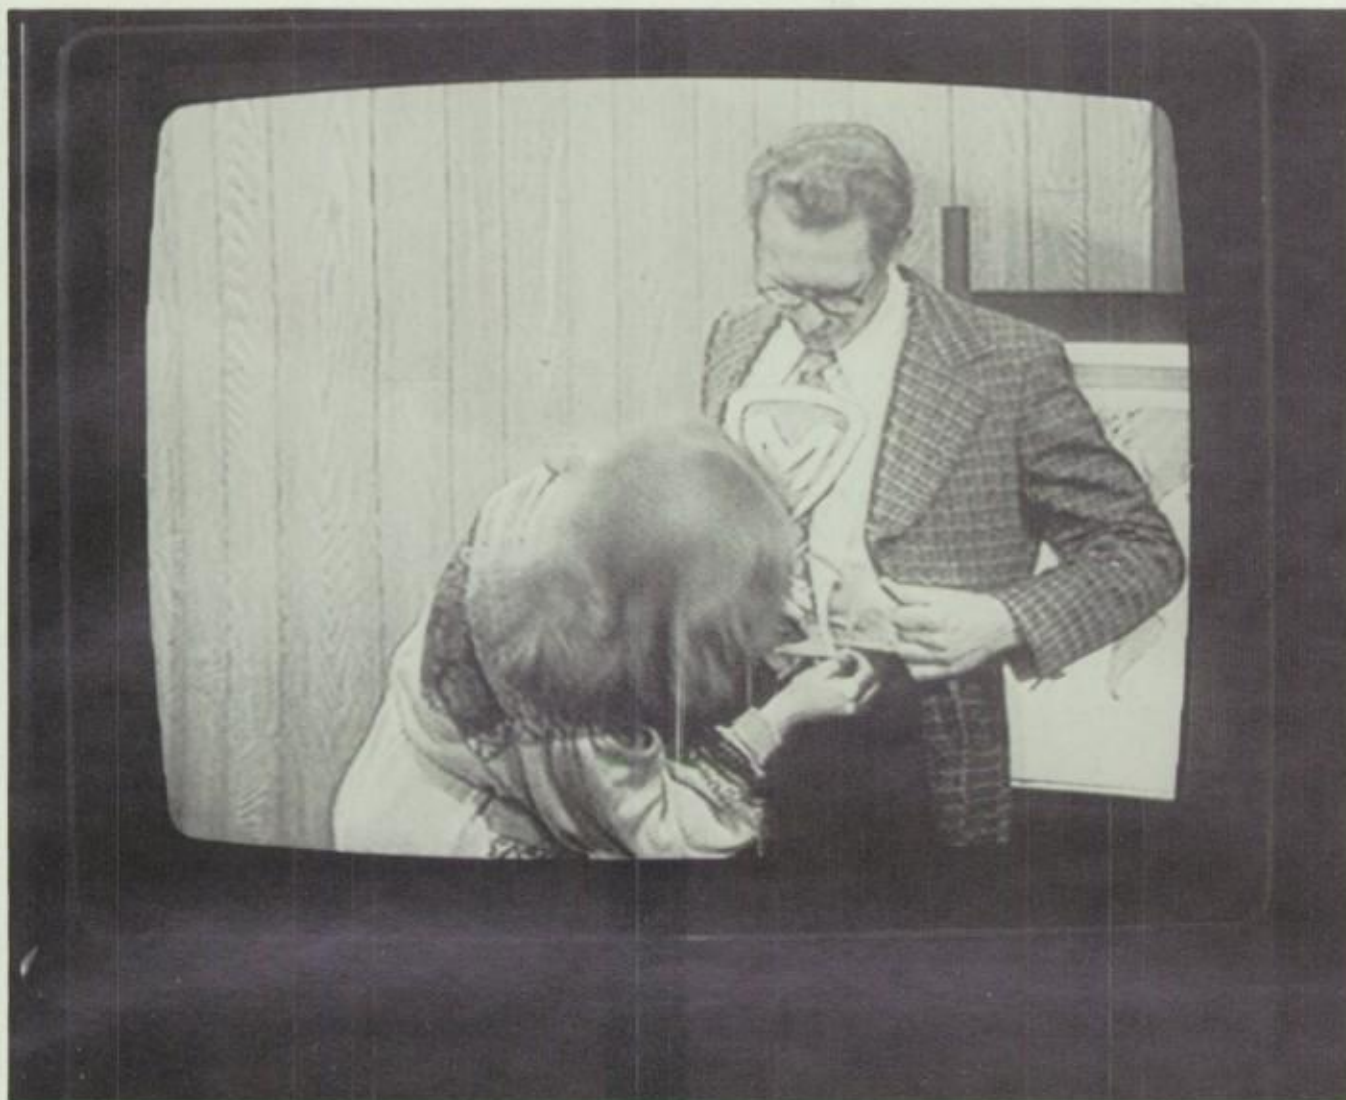

The school is only ours for a day.

Quick good-byes before a long separation.

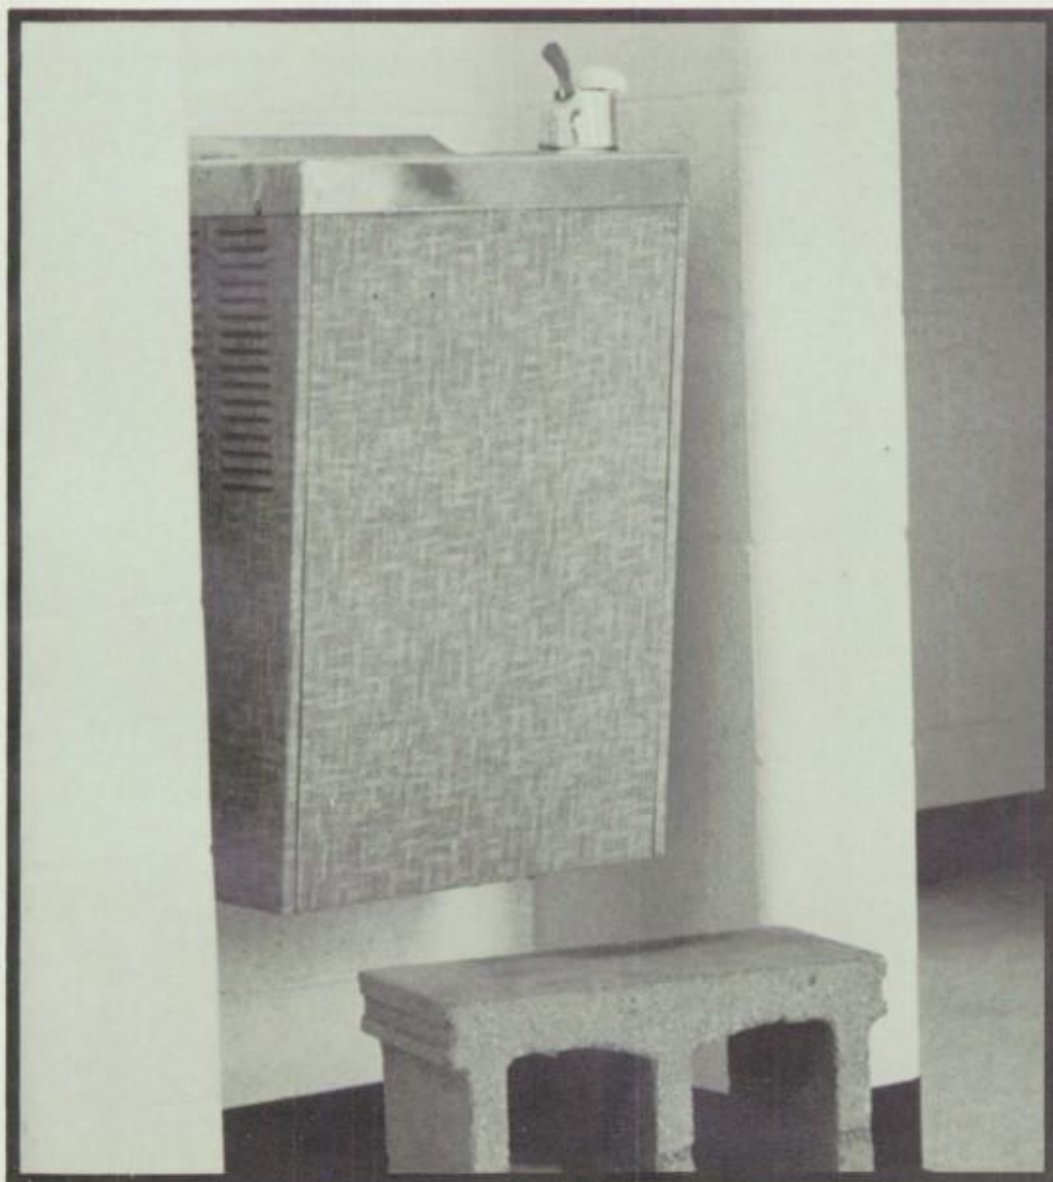

The only place in the nation where a school superintendent could play "Metric Man" on a television segment.

The winter of 1977 will not be forgotten for quite some time. Record breaking low temperatures and the natural gas shortage forced everyone into an immediate crisis situation. Businesses were closed. Thermostats had to be lowered. And finally the word came that schools would have to be closed.

On February 7, Columbus Public Schools became the only school in the nation to introduce an emergency plan for the crisis situation. The plan was called "School Without Schools" and operated for an entire month. Northland students reported to the building on Tuesdays of each week and spent the other days working on long term assignments. WBNS-TV sponsored a daily television schedule for general facts in all subjects. The Columbus Dispatch printed a new section in the paper called Classroom Extra. On March 7, regular classes resumed and there was School with Schools once more.

Arrangements had to be made for others using our school.

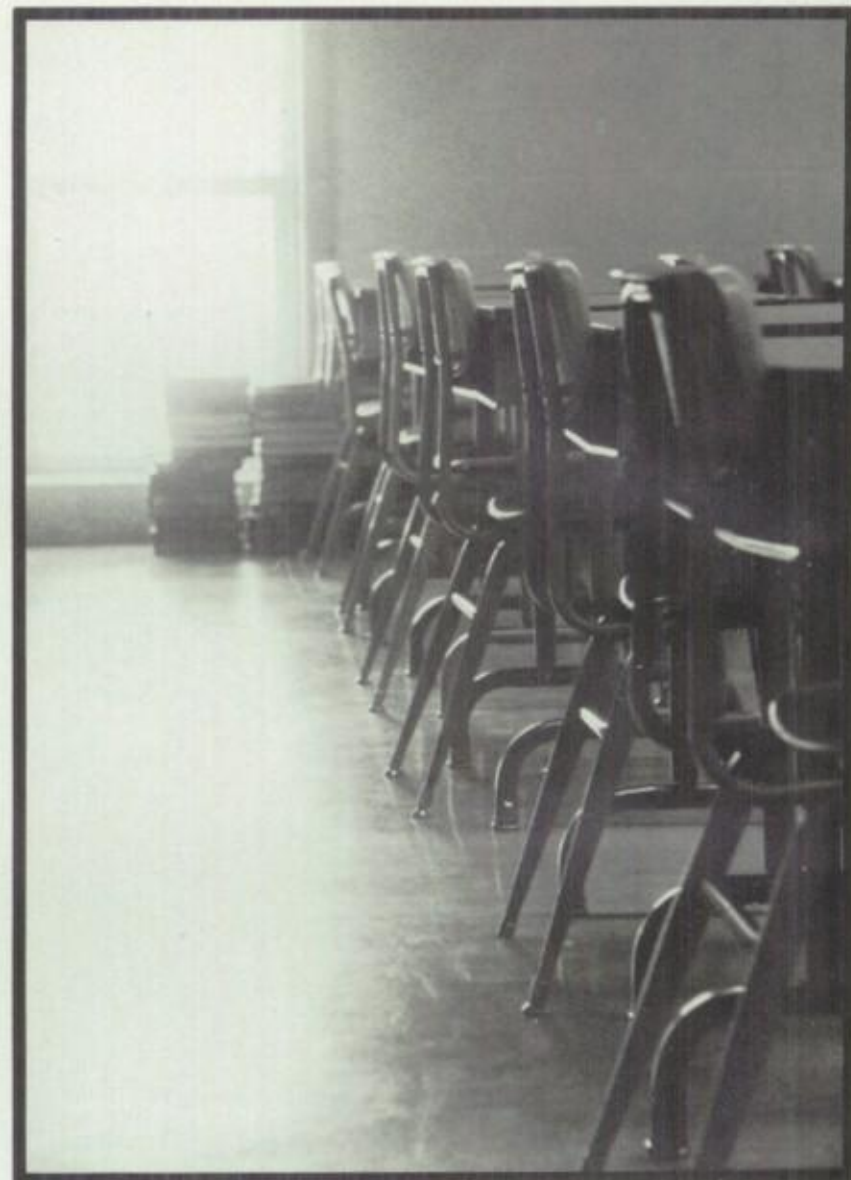

"Did you really expect me to carry all these home?"

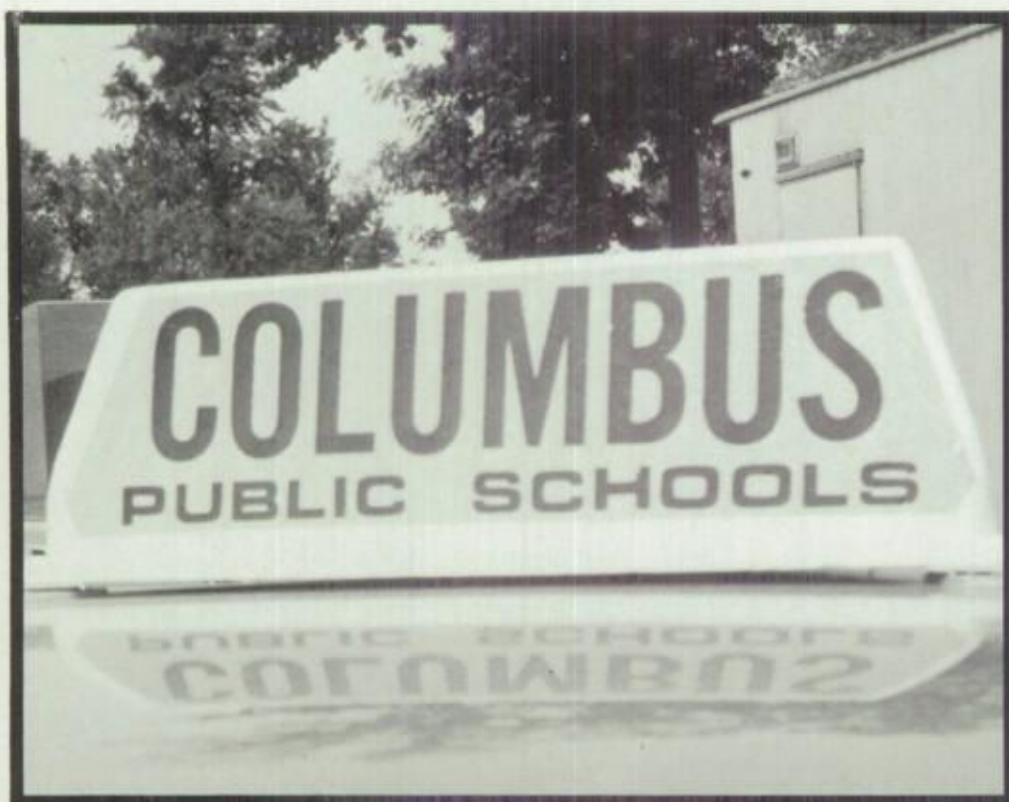

The worst crisis of all . . . NO MONEY . . .

Is this the road to tomorrow?

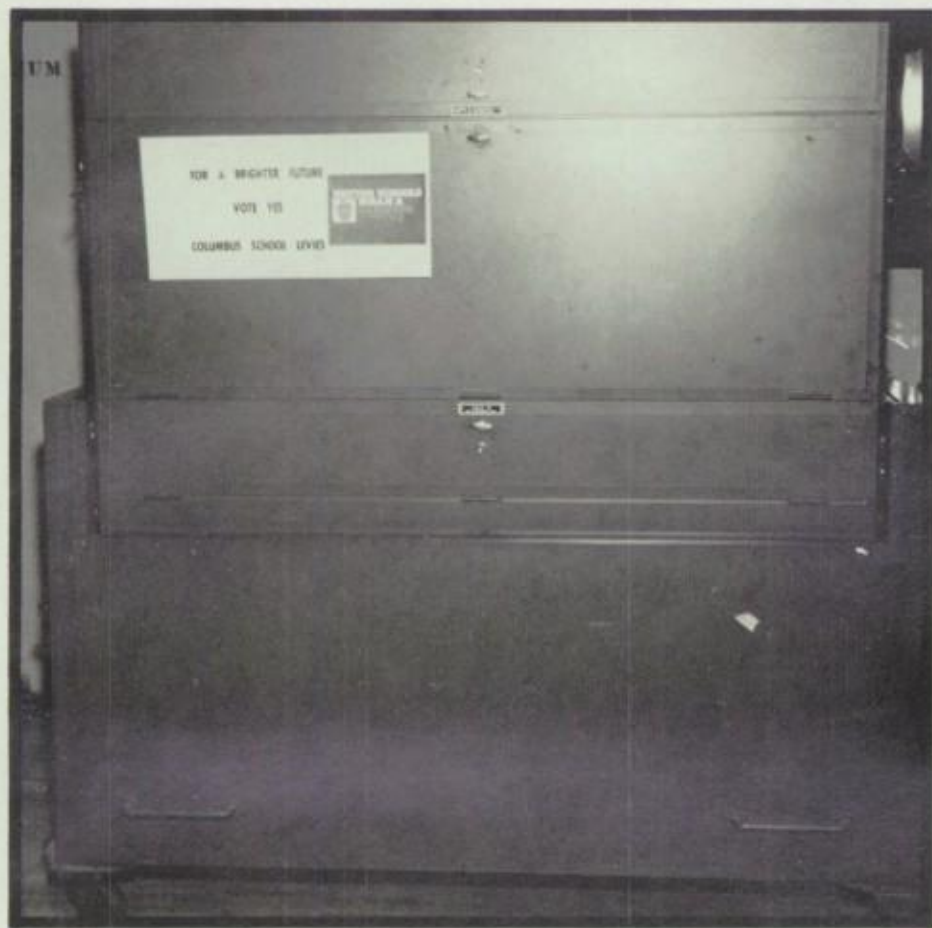

Reflections of a stable past with the threat of a shaky future.

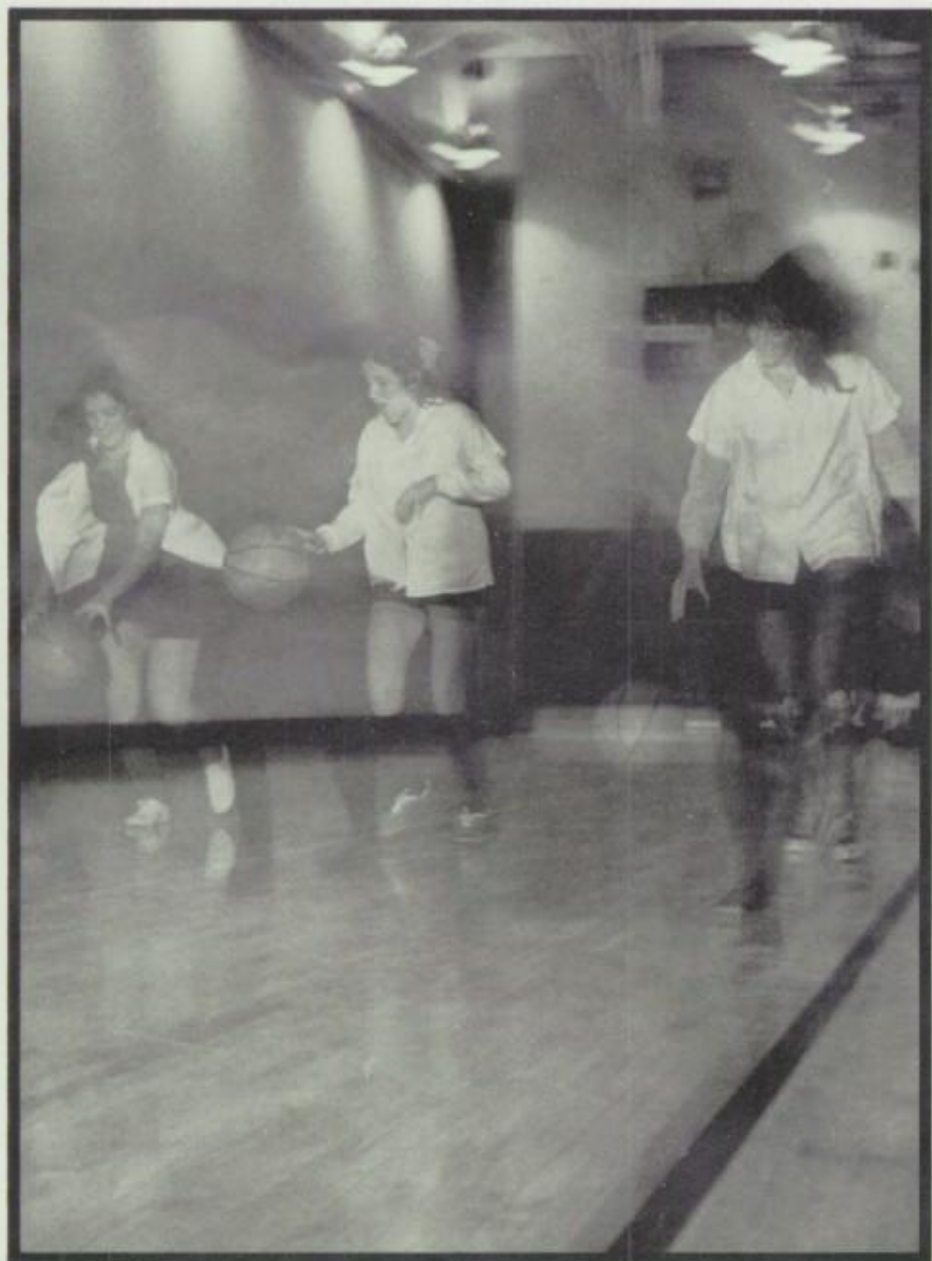

Tell me why . . .

# FINANCIAL CUTBACKS WILL HAVE EFFECTS ON NORTHLAND

The vote that decides the future of thousands.

The specters of uncertainty run rampant.

The elections of 1976 gave us Jimmy Carter as a new President nationally, but locally a certain school levy did not pass for the Columbus Public Schools. What exactly this will mean in the future is hard to foresee. One can only speculate that the harsh cutbacks forced upon the schools by lack of finances will hurt the students in some way. The news media has shown us the example of the GrovePort Madison crisis and it is up to the voters to approve or disapprove additional funds the schools need. The schools do need . . . Today's students are the most important investments a person can make for they are insurance into a better and brighter future. The question on the tip of every student's tongue seems to be "Where do I go from here?" That is indeed a fair question but no one seems to have an answer . . .

Where will we go?

Academics is the key to success.

Socializing is the best part of the day.

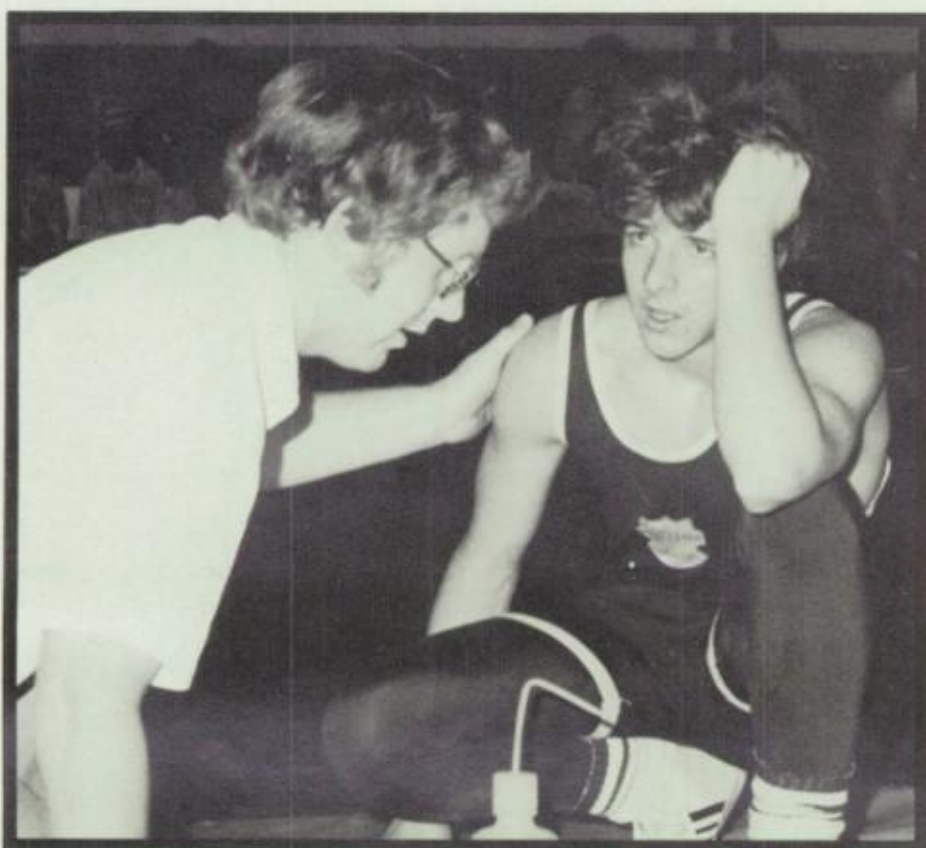

#### THE VIKING TREE

There is a living monument of all the spirit and the strength that is Northland High School. It is a beautiful and nearly magical collection of memories. The tree began before Northland was ever born, but it has seen changes in students, styles, and scenes over the years. It stands overlooking every football game and track event that the stadium holds. It has seen the Vikings shine in their most glorious moments and has bowed its branches to mourn for their hardest felt defeats. Each graduating class has been observed by the mighty green oak as it remains in the same old place.

Somehow the tree has become the symbol of our fondest thoughts and memories toward the school. When one has been away for a year or quite a few, he might return to the Viking Tree. Through the breeze blowing the limbs of the tree, a refrain of the Alma Mater might be heard. With a fleeting glance a student can see all that Northland meant and what it will always be. Each branch is made well-rounded by the academic, athletic and social achievements of each person who passes by the way. When you need a stable monument to believe in, you will know the Viking Tree will always be there . . . Forever . . .

# THE VIKING TREE SYMBOLIZES STRENGTH AND SPIRIT

Mr. Smith proves that in Northland's Faculty there is always someone to turn to.

Being a member of an organization isn't worth it unless it's enjoyable.

Service Clubs are the backbone of our success.

Les McCoy exhibits our strength in sports at the City Tournament.

GO VIKINGS BEAT SCOTS-GO GREEN MACHINE

A spectacle of splendor in the sky.

Jim Stumph shoots for two.

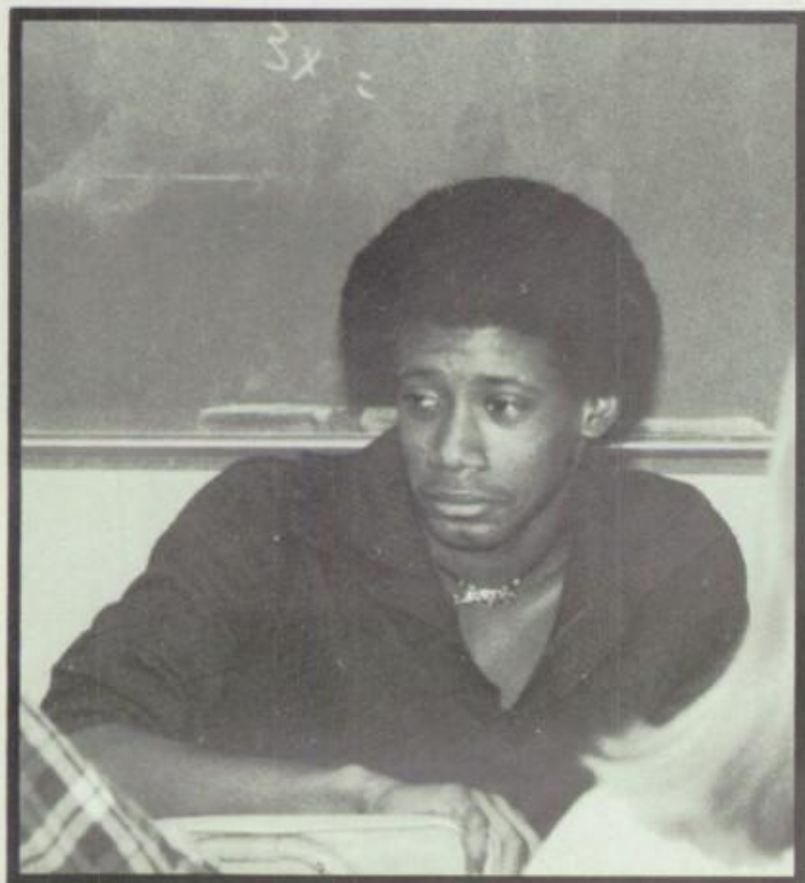

Janice Geyo questions the validity of the answer.

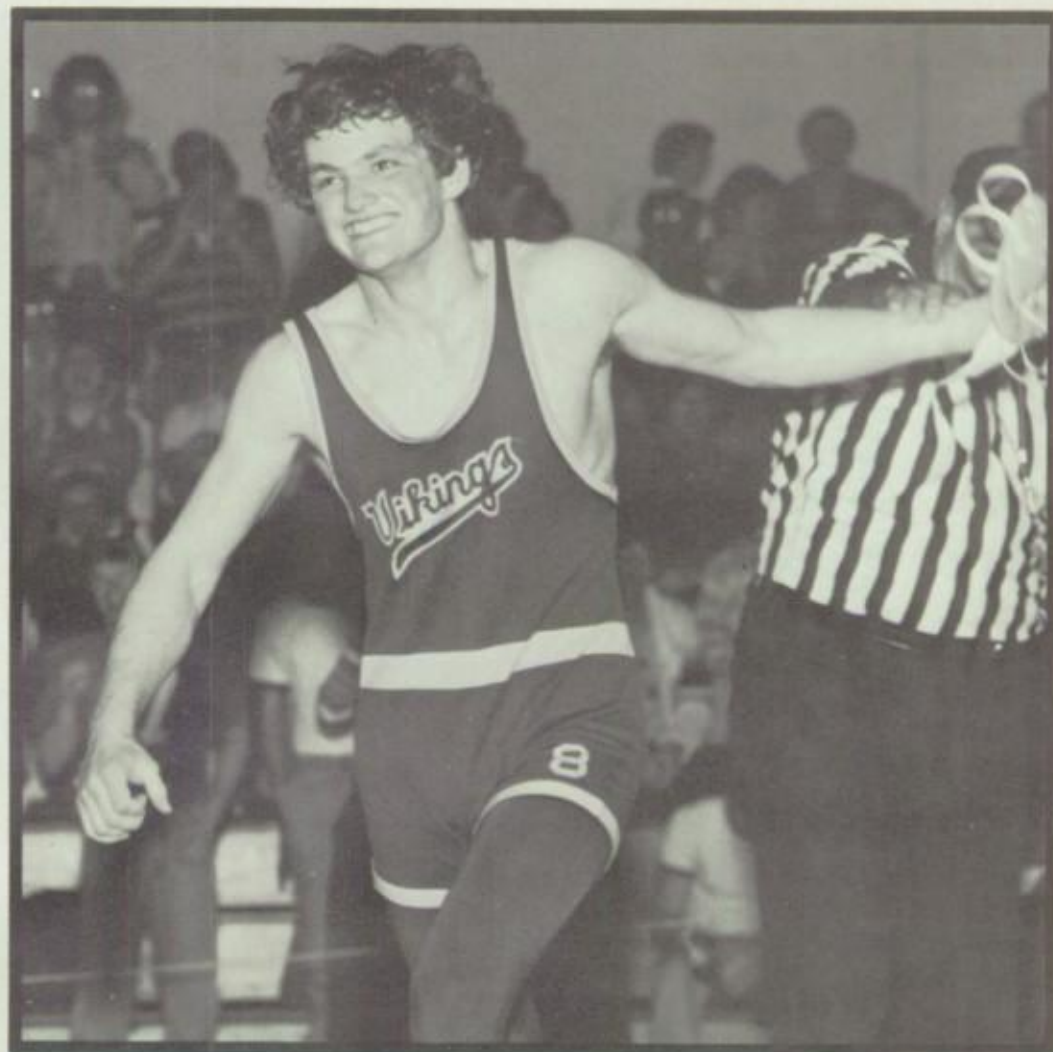

WHOOOPS!

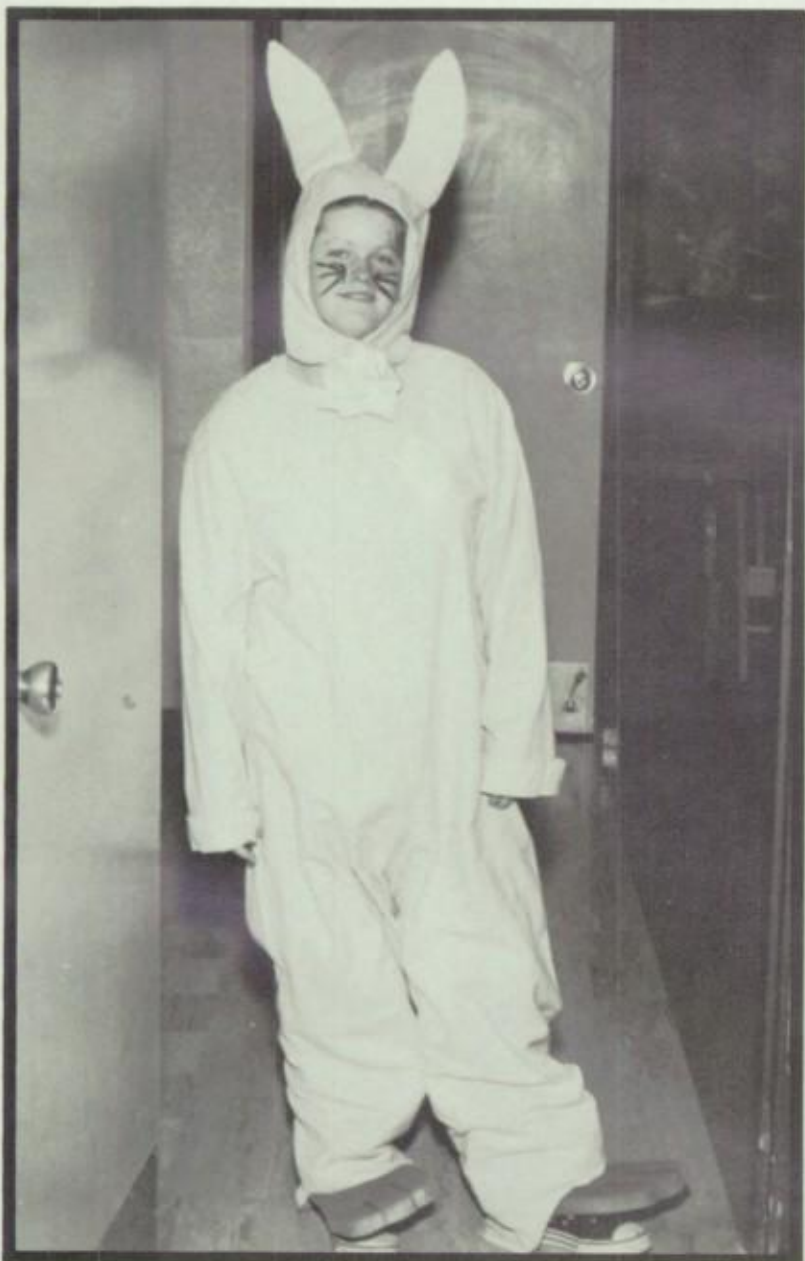

# NORTHLAND STUDENTS HAVE MANY INTERESTS

"Does anyone understand  $X = a(b - c^2)x$   
 $5223x + 1,000,000abc^8?$ "

A picture is worth a thousand words . . .

Things sure were "hoppin" at the Popcorn Concert.

Teresa Wolfinger, Karen Heath, Tony Wolfinger and Mike Zolmann relax before the performance.

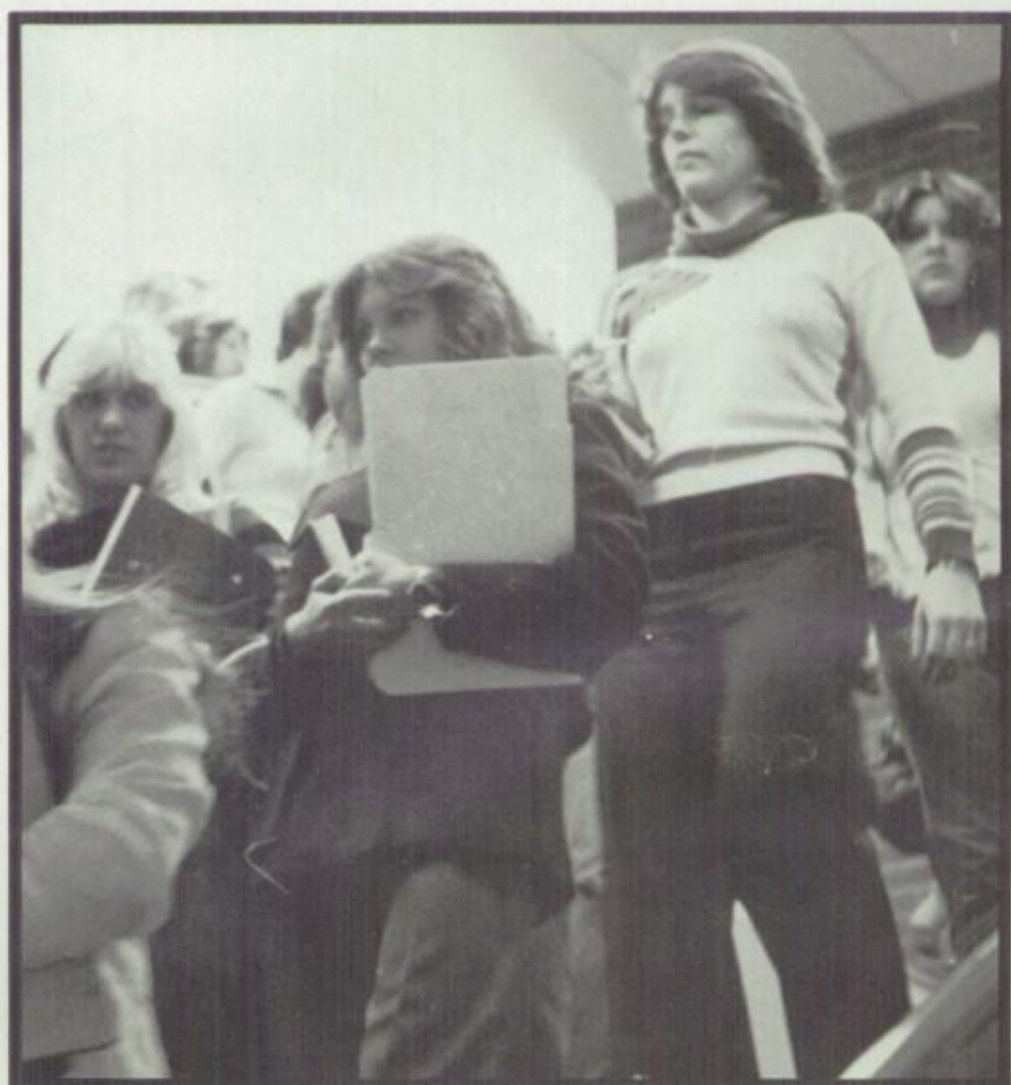

"Four score and seven years ago . . ."

This will take a whole roll of lifesavers.

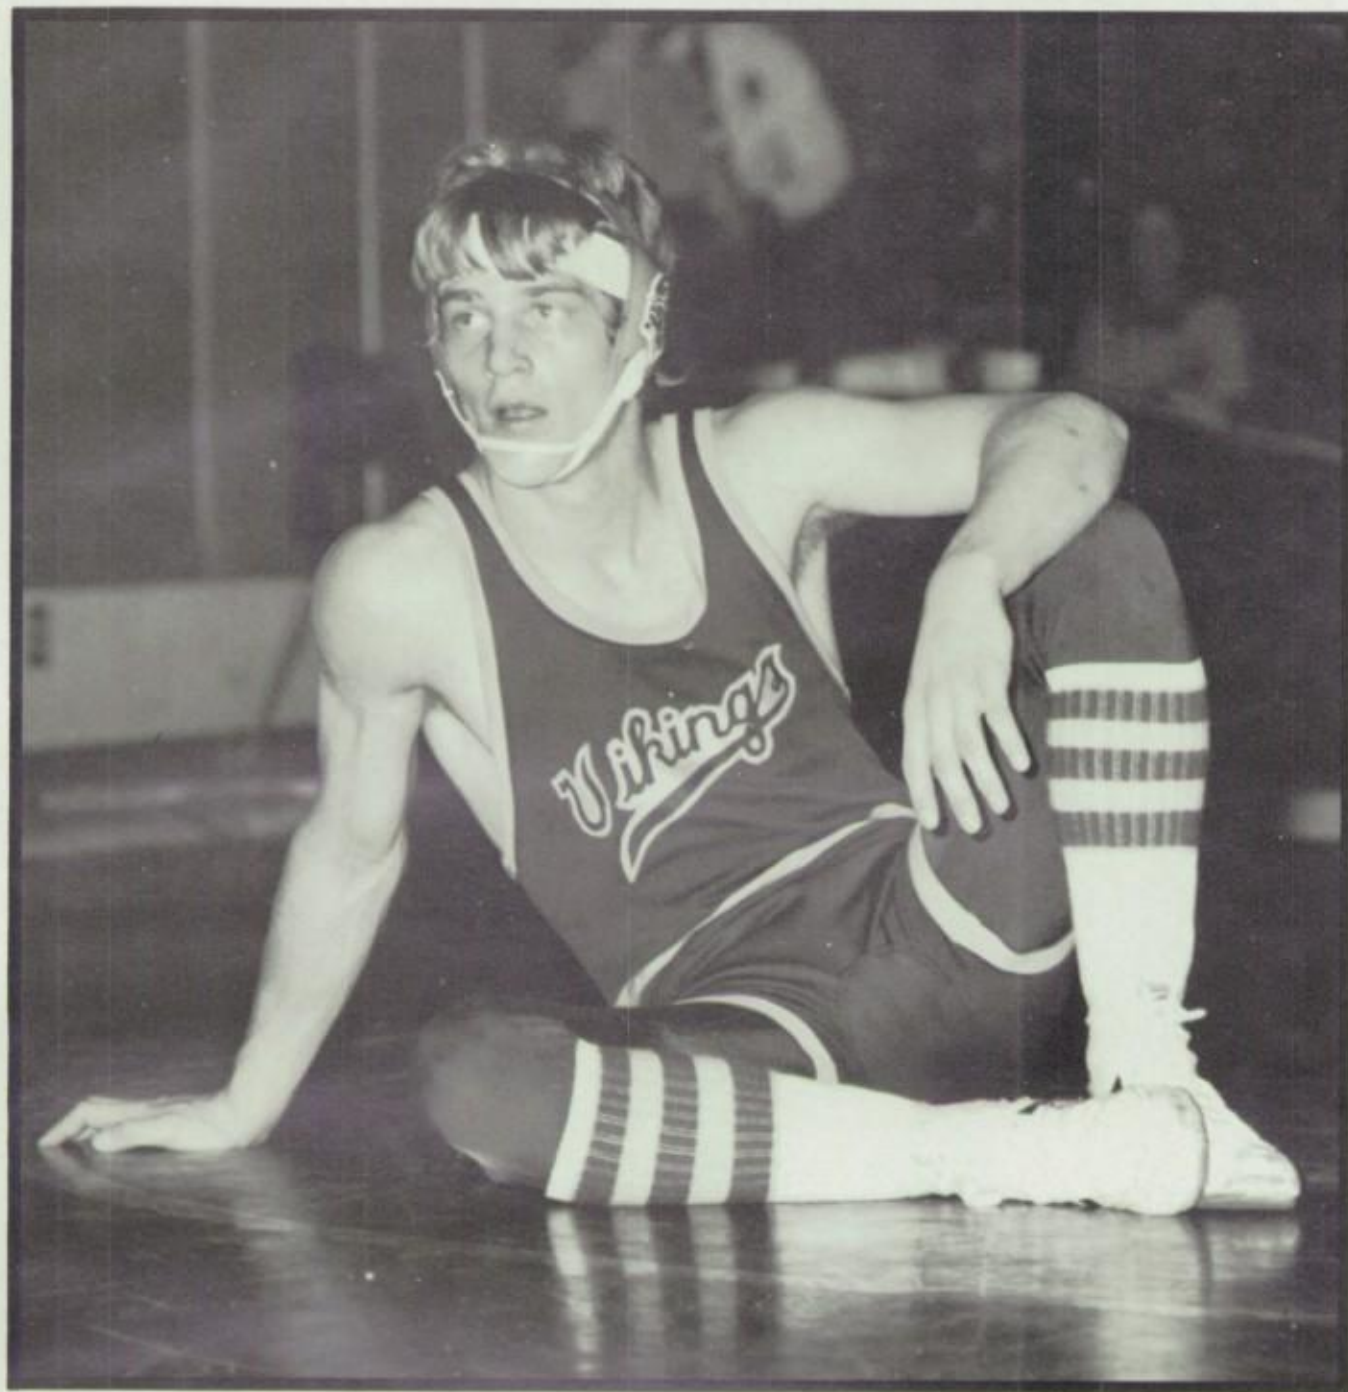

Karen Kilanowicz reads her assignments closely.

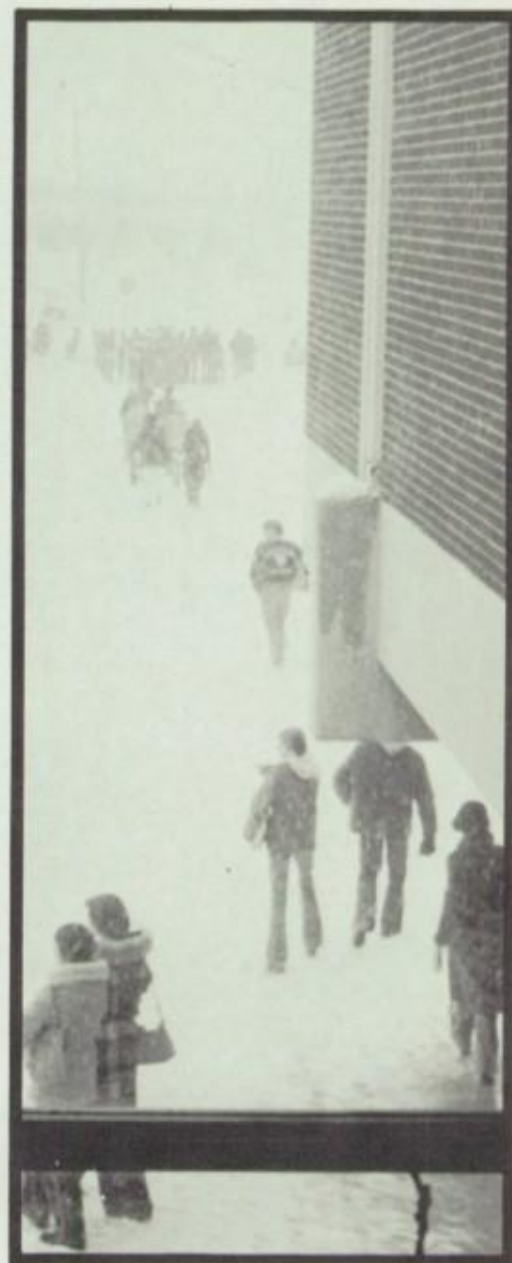

Sweaters and jackets were accompanying students to their classes during the cold days.

# DESPITE OBSTACLES, THE SCHOOL DAY MUST GO ON

Dave Lowe waits for the referee's final decision.

Snow is sometimes no fun at all.

Penny Craig free-styles to the finish line.

"We never went over this!"

# A YEAR OF DEADLINES, MEMORIES, AND FRIENDSHIPS

Remember planting Li'l Vike?

Just a little corny now and then . . .

Here's to the Seniors "Leaving" . . .

This yearbook is the combination of many creative minds and talents. I would like to take this last moment of yearbook time to thank the people who helped make the book the success it is. Special thanks go to Bob, Greg, and Wes Mirick for all the fine professional help they gave us. Special, special thanks to Drew Moffat for the marvelous Scoreboard artwork, to Sher Richardson for her lovely artwork for the divider pages and to Lori Andrews for the cover design. Without these special and lovely people the book would not have been the same.

This page is my last duty as Editor of the Valhalla. I have enjoyed every moment working with the book and the staff. The year has been filled with problems, arguments, anger and frustrations but shining through in the background was the knowledge that the book would soon be here. In looking over the year I can only say how lovely it all looks to me in retrospect.

Far above any connotation the words "thank you" might bring to mind is a wonderful lady named CeCe Wing. She was sweet, loving and sometimes crazy, but the part of herself she put into this book will never be equaled. She is the best and brightest there is and we have all come to love her dearly. Especially me . . .

To Gail, who I leave this position to, I might say these words, "On that late night before a deadline when you run out of left sides to the quad-pack remember how to laugh and laugh and laugh . . ."

Love, Patti Sprouse

Pride of ownership . . .

Our Office . . .

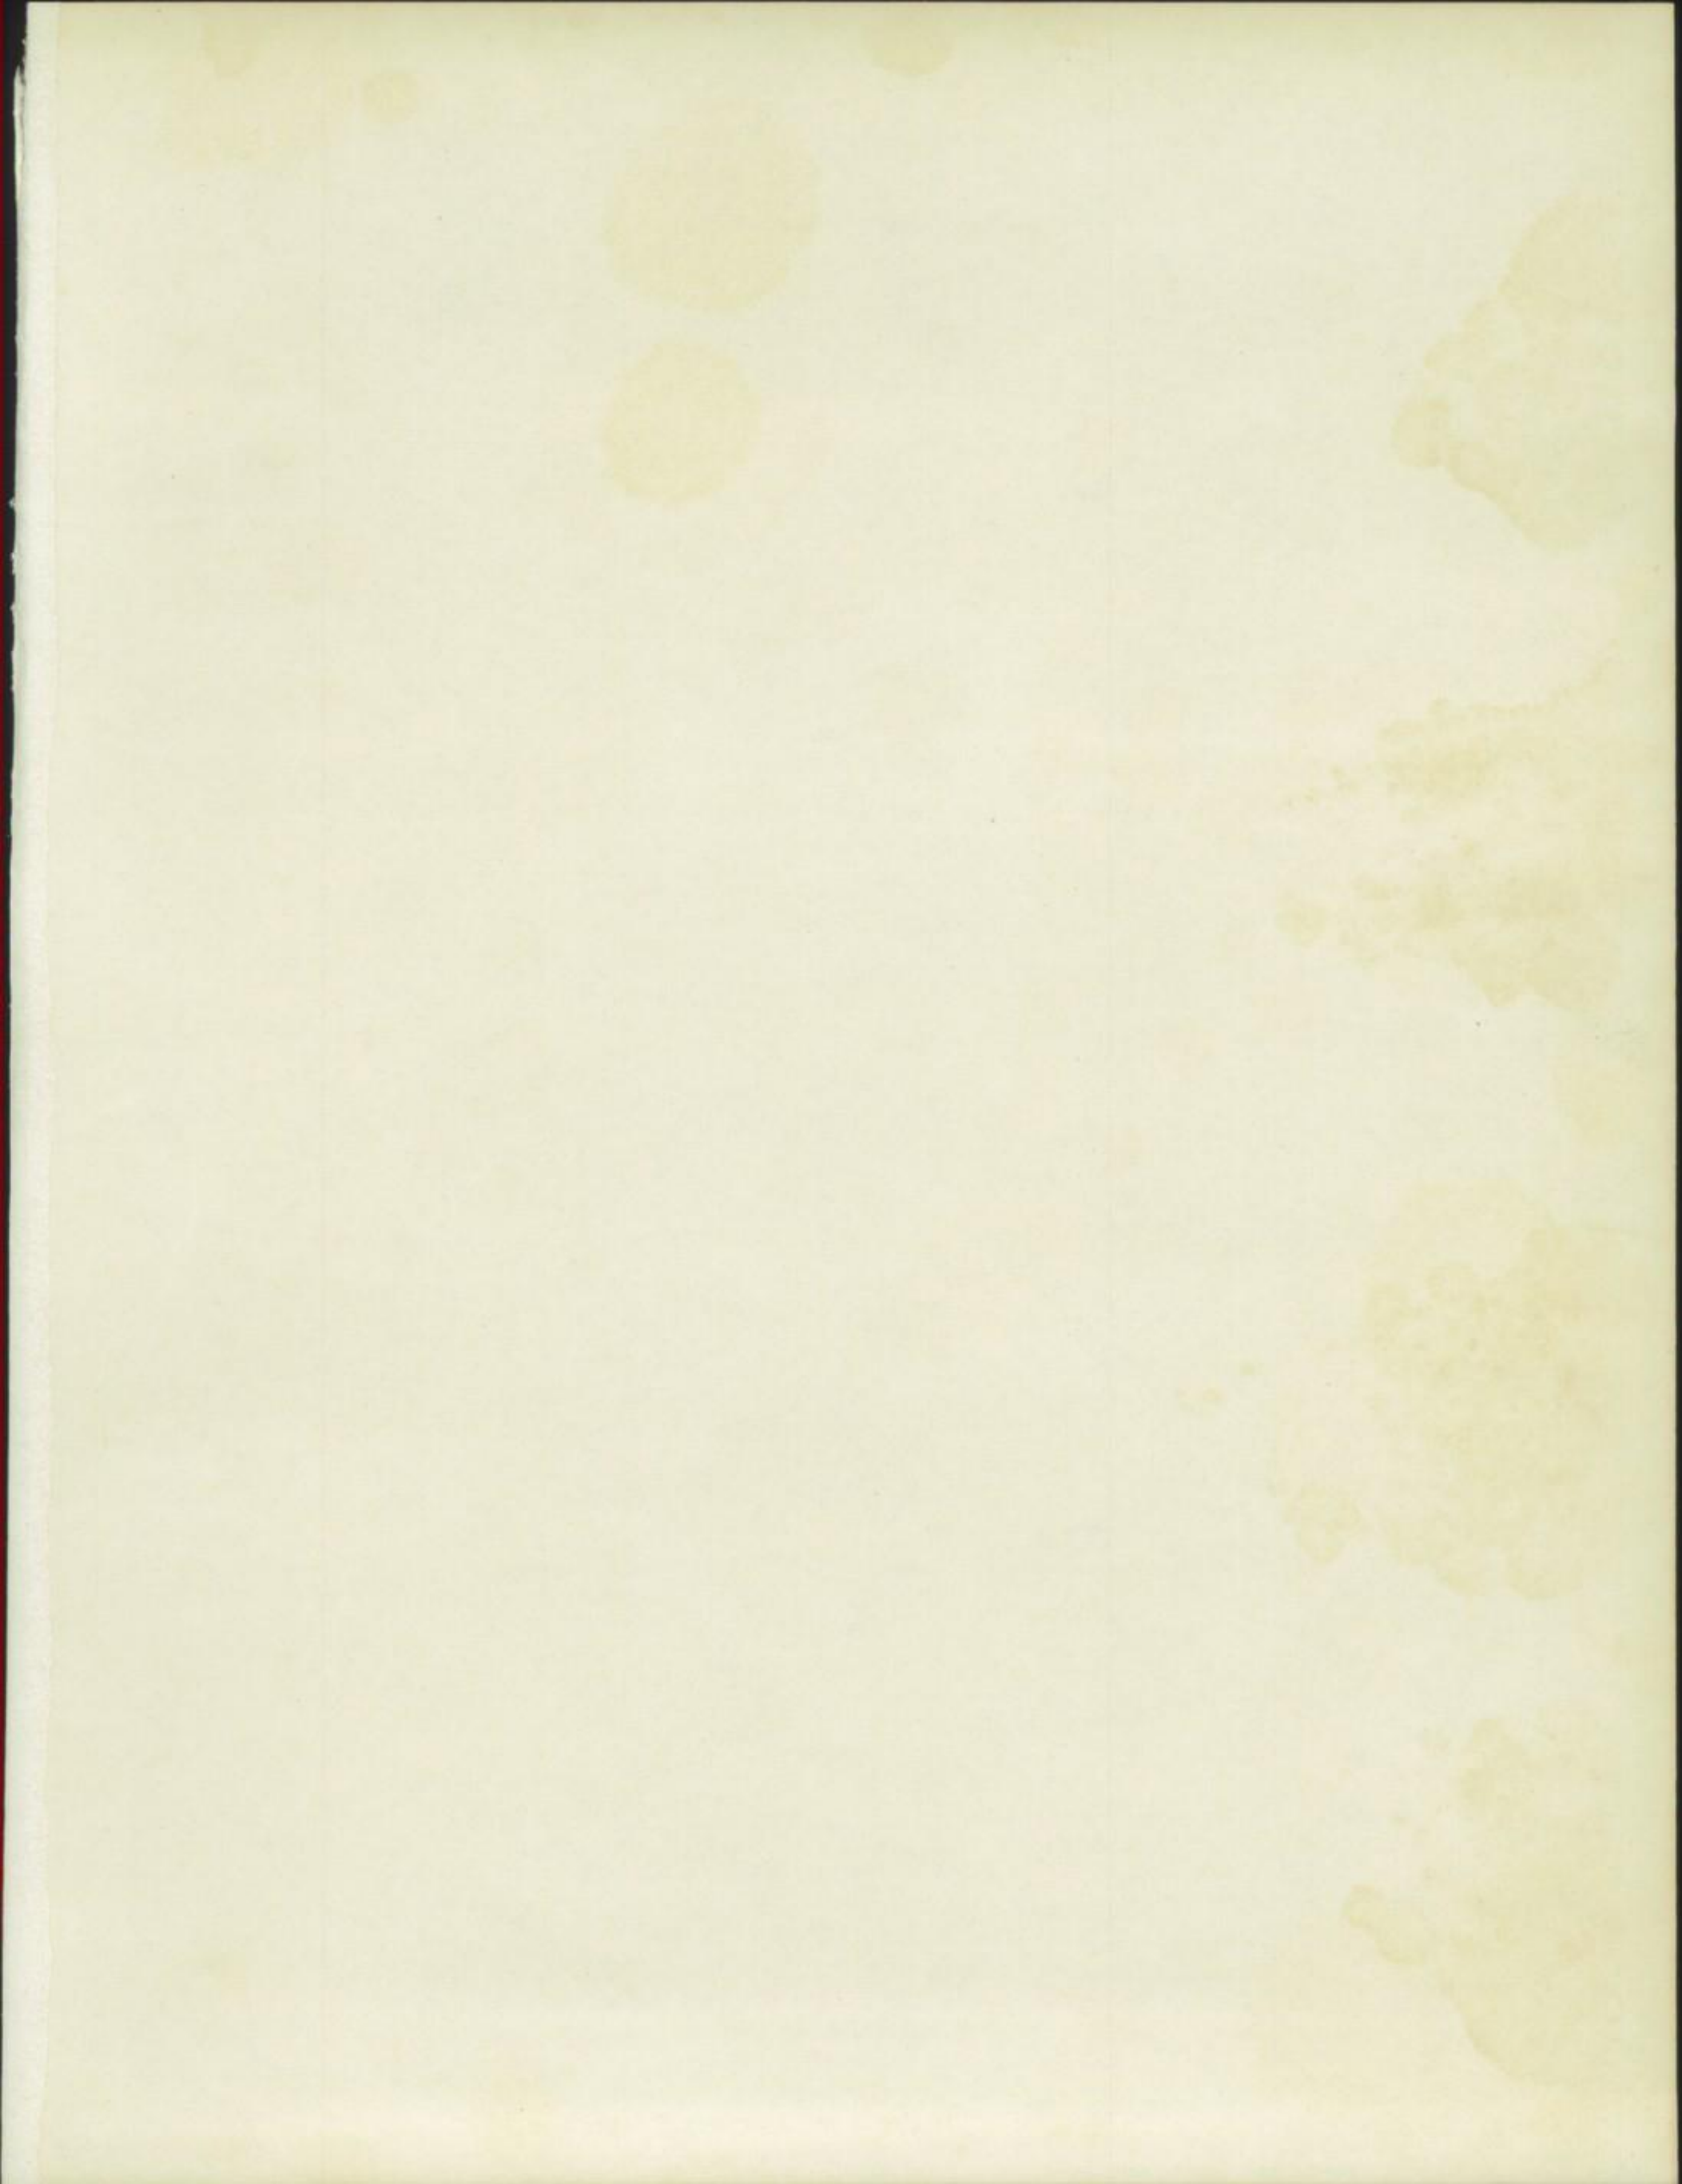

And we'll never forget CeCe . . .

Dear Steve,  
Good luck  
in every thing  
you do. Friends  
always. Your friend,  
Bob
